

"Bright Society without Drugs"

“没有毒品的光明社会”

"We will strive to gain sound strength and create a healthy and bright society."

The Korean Association Against Drug Abuse was founded in 1992 and is the nation's only private organization that carries out comprehensive projects for prevention of illegal drug use and drug abuse.

For more than 20 years, we worked hard to create a 'healthy society without drugs' in a society with basically no projects to prevent drug abuse. The drug problem is now more severe than ever in Korea and is spreading quickly among the younger generation. The KAADA will actively respond to narcotics and drug abuse and alert the entire nation to help people gain sound strength and to create a healthy and bright society.

- President Chun Young-Koo Ph.D.

“培养健康力量，为创造一个健康、光明的社会而全力以赴。”

韩国麻药退治运动本部创立于1992年，是一个始终开展着扫毒和预防药品滥用的国内唯一民间团体。

过去的20年里，在一如荒芜之地氛围的毒品预防事业当中，为了实现“没有毒品的健康社会”而不懈努力着。

在我们社会的毒品问题比任何时候都严重的今天，相对青年群体中毒品急速扩散的时势，韩国麻药退治运动本部积极作出应对，致力于唤醒全体国民的警觉心，使其自我培养健康的力量，共同为创造一个健康的光明社会而奋斗着。
