Blessing of the Naloxone

Creator of resurrection and light, we come to you with grateful hearts for all the ways your love continues to rise up in our midst. We give you thanks and praise for the Holy drug, Naloxone, and the new life that it can bring.

We know that we need each other to survive, so we ask you to bless these kits, and all those who will use them, and all those who will be in need of them.

Make them and us instruments of resurrection, that suffering will be released, that injury will be transformed, that joy will arise, that strength will take hold, that hope will take wing, and that death will yield to new life.

Empower us to live into our vocations as people of resurrection, bringers of new life, proclaimers in word and deed of a new day rising. In the name of all that unfurls hope in our midst every moment, we pray.

Amen.
