

POTTERY BARN

ROSIE TEXTURED LAMP

Assembly Instructions

Important Safety Instructions:

- These instructions are provided for your safety. It is very important that they are read carefully and completely before beginning the assembly and installation of this lighting fixture.
- This portable luminaire has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug. Do not attempt to defeat this safety feature.
- This fixture has been rated for up to one (1) **100-watt maximum TYPE A standard incandescent light bulb** (not included) or one (1) **23-watt compact fluorescent light bulb** (included for California customers only). To avoid the risk of fire, do not exceed the recommended lamp wattage.
- Use with approved Pottery Barn Shades only, having a minimum opening diameter of 4 inches and a minimum lamp-to-shade spacing of 3-1/2 inches.
- This lamp is meant for indoor use.
- **Save these instructions.**

WARNING:

- To reduce the risk of fire, electrical shock or personal injury, always turn off and unplug the light fixture and allow it to cool prior to replacing the light bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.

Pre-assembly:

- Remove all parts and hardware from box along with any plastic protective packaging.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.
