

Glove Swivel Chair

PRE-ASSEMBLY:

- Please read all instruction before beginning assembly. The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- Remove all parts and hardware from box and lay out on a carpeted or scratch-free work surface, as this will avoid damaging any parts during assembly. The shipping box provides an ideal work surface. Do not dispose of any contents until assembly is completed to avoid accidentally discarding small parts or hardware.
- For your safety and ease, adult assembly by two people is recommended.
- Save all packing materials until assembly is complete to avoid accidentally discarding smaller parts or hardware.
- Use the parts and hardware lists to identify and separate each of the pieces included prior to starting assembly.
Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolts to misalign during assembly.
- If using power tools to aid in assembly please use it carefully, not over tighten. Power tools can damage hardware or split wood.
