

4 Lidded Candy Jar with Glass

Assembly instructions

Parts Included:

- 1Pc – Metal Base with Threaded Stems (A)
- 4Pcs - Candy Jars with Metal (B)
- 4Pcs - Metal Lid (C)

Assembly Instructions:

Step 1: Insert the candy jar with metal threaded ends (B). End is sized to fit into threaded bore of Base (A), rotate clockwise until tight as shown in the illustration.

Step 2: Repeat step 1 for remaining 3 Candy Jars with Metal (B).

Step 3: Use Metal Lid (C) to cover the Candy jars as shown in the illustration.

The product is ready for use.

Care Instructions:

Dust occasionally. If necessary, spot clean using a damp cloth.

Do not use strong chemical or abrasive cleaners!

Thank you for your purchase!
