flat washer 6x

west elm

# metal mesh lounge chair

assembly instructions

1. Align base with seat. Attach cap nut (A), lock washer (B), and flat washer (C) onto the bolts from the seat through the base cross rails. Tighten with supplied wrench.

## CARE INSTRUCTIONS

Hardware may loosen overtime. Periodically check that all connections are tight.

Wipe with a soft, dry cloth. To protect finish, avoid the use of chemicals and household cleaners.
