

Marble + Brass 2-Tier Cake Stand

Style # 2743412

Thank you for purchasing this product. Please read the instructions carefully before use to ensure complete and satisfactory assembly of this product.

Pre-assembly preparation

Please read instructions in full before attempting to assemble this product.

Necessary Tools

Allen Wrench

Please check the pack contents before attempting to assemble this product. A full checklist of components is shown below. If any components are missing, please contact the retailer from which you bought this product.

The fittings pack contains **SMALL ITEMS** which should be **KEPT AWAY FROM YOUNG CHILDREN**.

Fittings and parts checklist

A	Plain Washers x 3	
A1	Transparent Acetate Washer x 3	
B	Screw x 1	
C	White Marble Bottom Tier x1	
D	White Marble Top Tier x1	
E	Bottom Metallic Rod	
F	Top Metallic Rod	

Step by step assembly instructions

1. Insert Screw (B) into the underside of Bottom Tier (C). The underside has a circular platform upon which the stand will rest once constructed.

2. Place a Washer (A1) & (A) onto Screw (B), which now projects through the topside of Bottom Tier (C).

3. Insert Bottom Metallic Rod (E) onto Bottom Tier (C) and tighten Screw (B) with Wrench.

4. Place a Washer (A1) & (A) and then Top Tier (D) onto Bottom Metallic Rod (E).

5. Place a Washer (A1) & (A) onto the Top Tier (D), then insert Top Metallic Rod (F) through Washer (A1) & (A) into Bottom Metallic Rod (E), tightening with normal hand pressure.

Care and Maintenance

Do not disassembled once it assembled and wipe with damp cloth for cleaning the cake stand.

When cleaning Marble cake Stand, do not use washing powders or any other substance containing abrasive since these substances scratch product's surface.

Safety Instructions

General warnings:

Periodically check all fixings to ensure none have come loose and re-tighten when necessary.
