FLIP™

Flip the script on ordinary spaces.

What is Flip?

A dual-sided dry-erase board with glass on one side and an acoustic panel on the other.

Why Flip?

Flip brings a unique look to your space with ample room for writing and a stylish acoustic panel on the reverse side.

Frame color: **Burgundy**
Glass color: **Custom color**
Acoustic pattern: **Slate**
Acoustic color: **African Grey**

COLORDROP™

Your ideas printed to perfection

Print any image, graphic, or design with unmatched clarity and brilliance thanks to our high-resolution, direct-to-glass UV printing technology.

COLORS BY CLARUS™

Show your true Colors

Choose from 175+ colors enriched with Clarus' exclusive glass-coating technology. Or request a custom color with our unparalleled color-matching ability.

Company Boardroom

Designate each Flip board to individual projects to keep ideas organized.

Creative Agencies

The unique design and custom options inspire out-of-the-box thiking for creatives.

Coach's Office

Add a Flip to either side of a Float board to create a "barn door." Close to see the team logo, open to write notes.

The unique look and function adds individuality to your space. Write notes, then flip over to reveal acoustic paneling.
