

DC Health Announces Fee Waivers for Food Establishments Using or Switching to Refilling Returnable Containers

DC Health's Division of Food is waiving the normal \$200 variance fee, as outlined in Section 4102 of the Food Regulations Code if the establishment is using or begins using Refilling Returnables. Please note that an establishment wishing to receive this waiver, must still submit an application at the Division of Food's application portal which can be accessed from our webpage at

<https://dchealth.force.com/Application/s/login/?startURL=%2FApplication%2Fs%2F%3Ft%3D1646242785542>

or by contacting 202.794.3364

For more information on Code 815: Preventing Contamination – Refilling Returnables, please visit bit.ly/RefillingReturnables.

For any questions, please contact food.safety@dc.gov

This waiver does not apply to other variance requests that may be granted by the Division of Food as outlined in Section 4102 of the Food Regulations Code.
