NEW SALON LICENSE EXEMPTION FOR ASSISTED LIVING CENTERS

The 2018 Legislature passed a bill to extend the current salon license exemption for licensed nursing facilities to include certain licensed assisted living centers. The new law goes into effect July 1, 2018. Letters are being sent to currently licensed assisted living facilities to inform them about the law and ask them to contact our office to discuss whether or not their salon is exempted under the new law. The text of the new law states:

36-15-51.2. Any licensed nursing facility or licensed assisted living center that permits cosmetology services only to its residents and does not advertise as a salon is not required to have a salon license.

This will allow licensed cosmetologists, estheticians and nail technicians to provide services to residents of a licensed nursing home or assisted living center and then run the proceeds through your salon or booth licensure. Please contact our office at 605-773-6193 if you have any questions about this new law.
