

Bulletin 88-3

Filing fee

September 21, 1988

The South Dakota Division of Insurance has identified your company as being domiciled in a state which has filing fees. South Dakota is a retaliatory state (SDCL 58-6-70). Therefore, your company will be assessed the same filing fees as are levied against domestic South Dakota insurers by the insurance regulatory authorities of your state of domicile.

Please be advised that, effective September 21, 1988, the South Dakota Division of Insurance will no longer accept any filing that is not accompanied by the appropriate filing fee. If the fee does not accompany the filing, it will be returned if a pre-addressed postage-paid envelope is enclosed or, in the alternative, destroyed. For those filings already submitted with approval pending, the filings will be kept for thirty (30) days. If the proper fee is submitted within the 30-day time frame, the filing will be processed.
