

# Are you ready to sell 24/7 - without working 24/7?

Our solutions all work together, from lead generation to closing the sale and beyond, to ensure that your company is always ready to connect and sell.

**Wake up to new leads with green industry digital marketing**

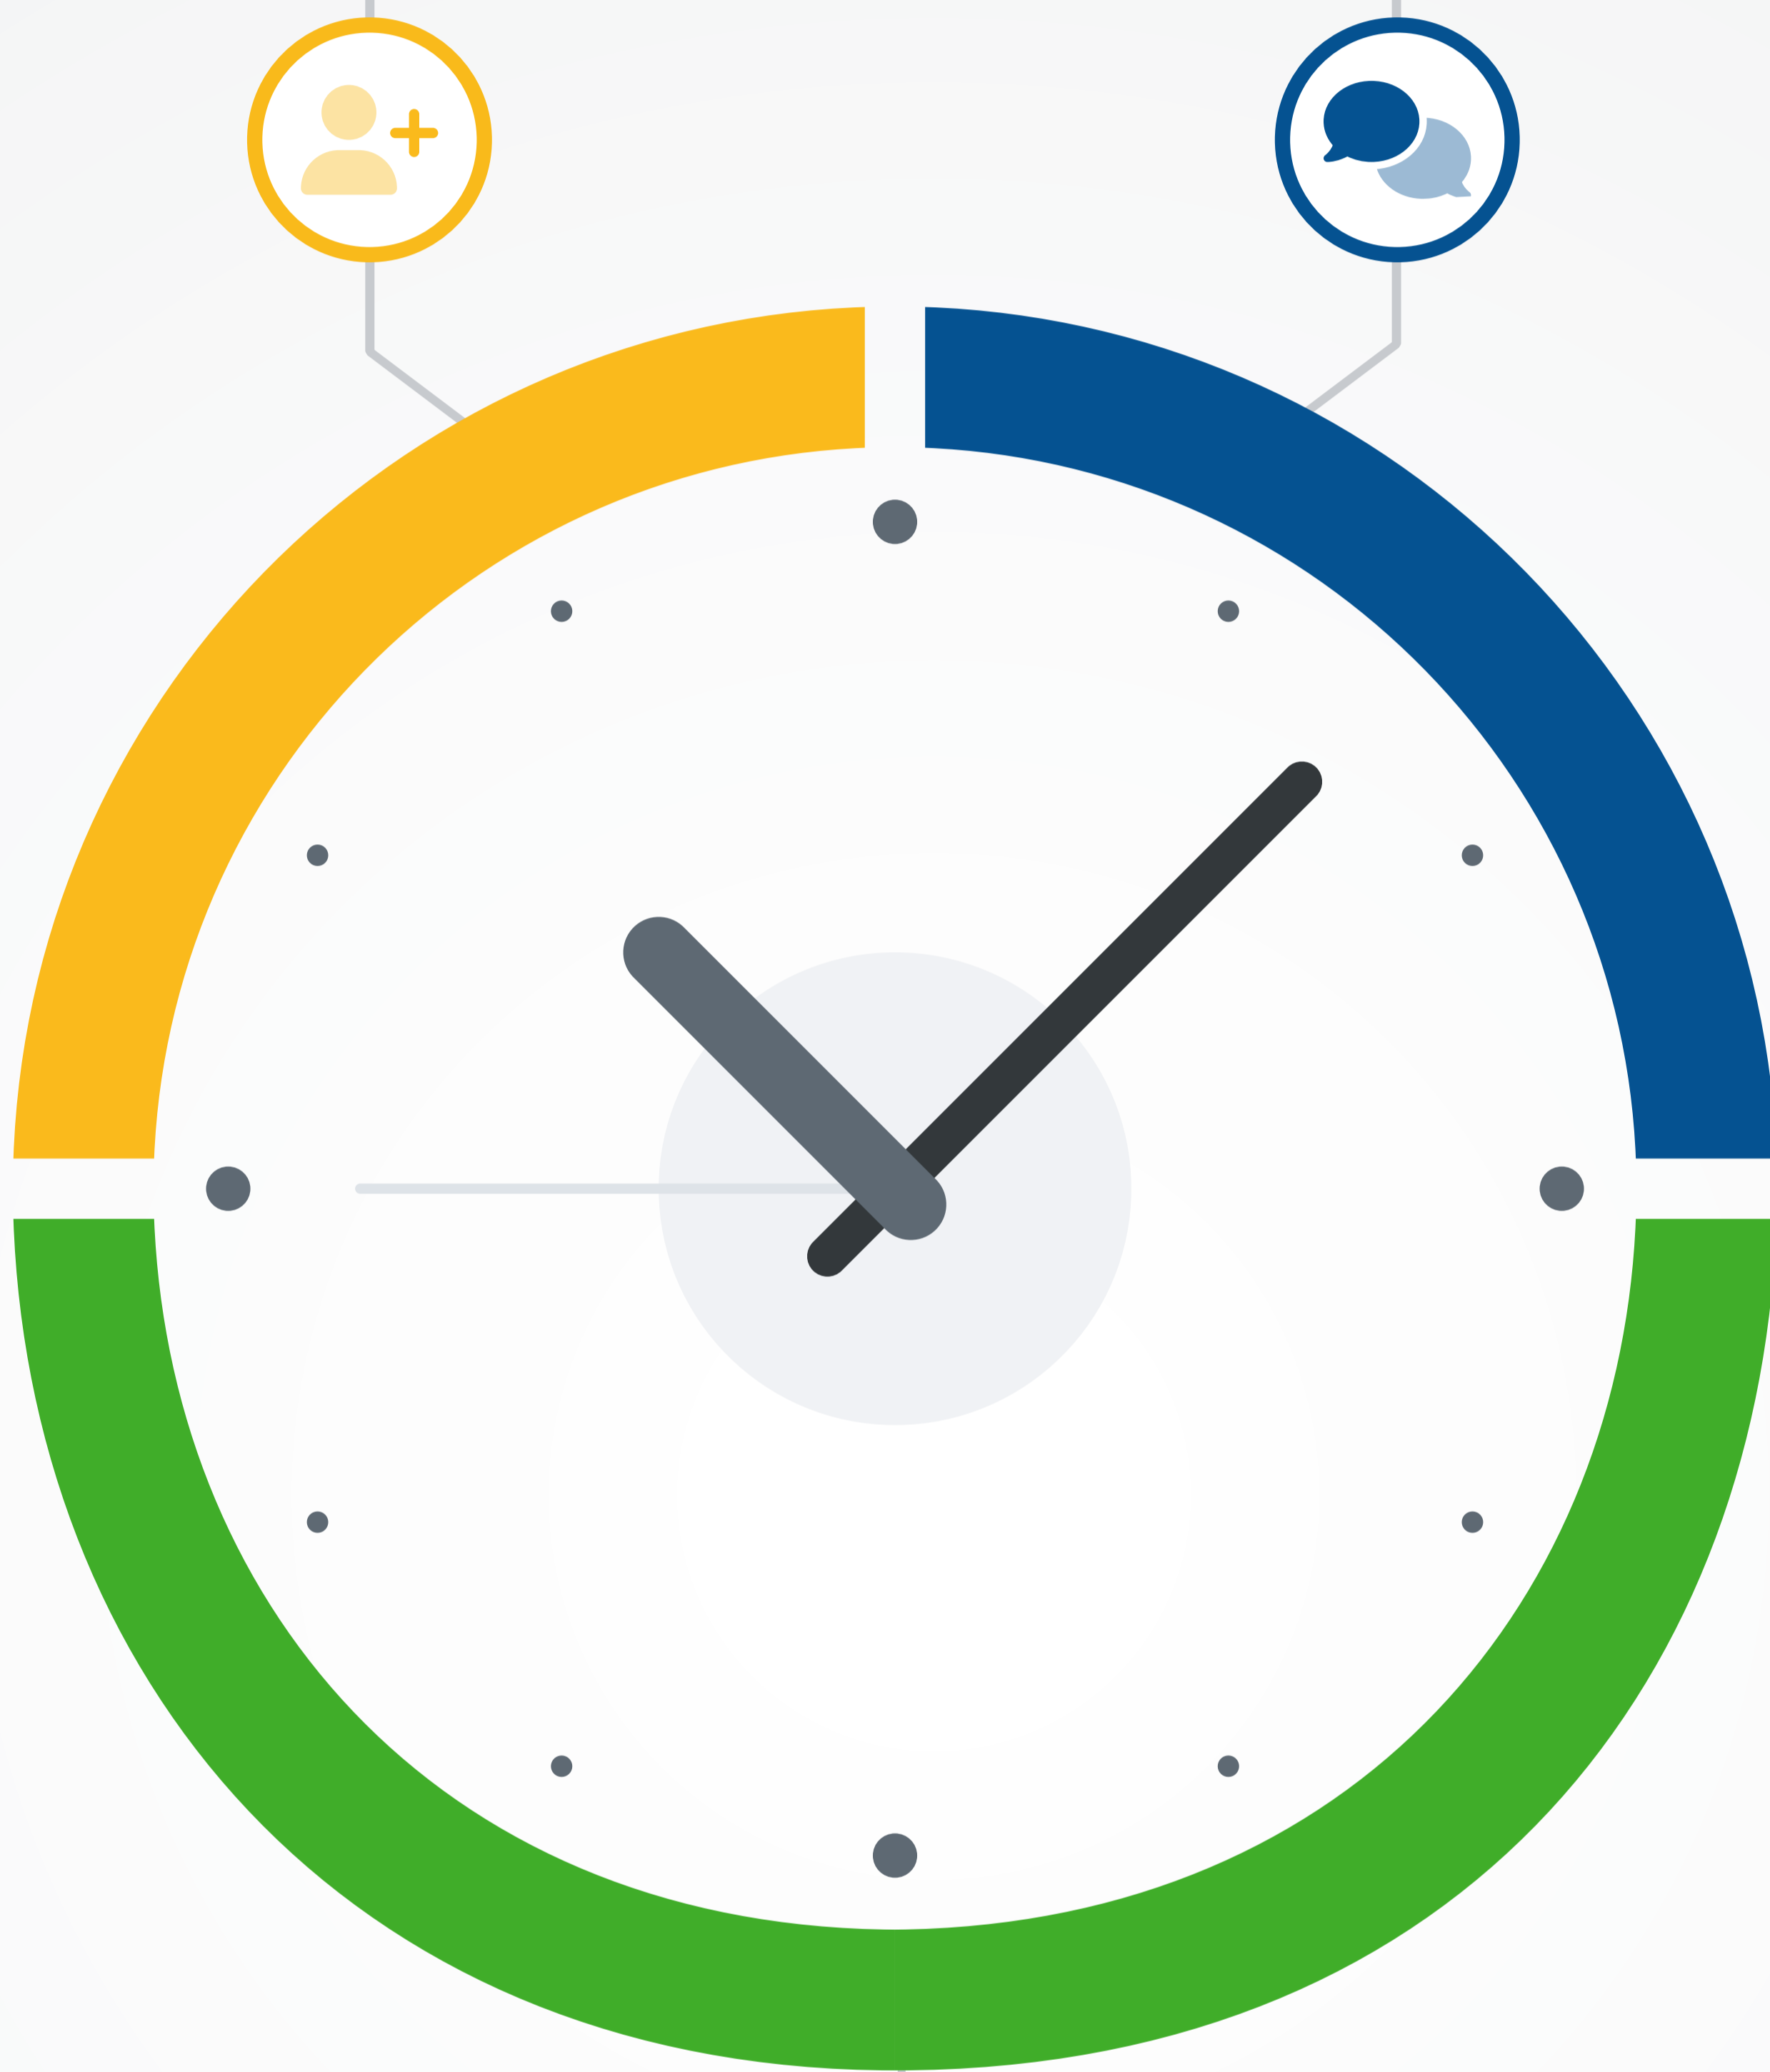

Coalmarch's data-driven digital marketing platform is designed for field service businesses like yours – proven to help expand your audience, engage potential customers where it counts, and close leads faster and more efficiently.

**The AI-enabled chatbot that sells on your website 24/7**

ServiceBot helps you capture leads you might otherwise lose by meeting customers right where they are and guiding them from inquiry to estimation all the way through to payment.

Local Service Ads by Google **DELIVER LEADS AT A FRACTION OF THE COST** of traditional PPC ads.

**83.1% OVERALL CUSTOMER SATISFACTION** rating from customers using web chat.

**Automate your marketing emails, upsells and cross-sells.**

Fully integrated, AMA creates and sends customer communications based on triggers from daily data input from your production, office and sales teams.

AMA customers experience **DOUBLE THE REVENUE GROWTH** compared to those without.

**Customer Assistant Website – your office, open all day**

Customers can securely pay bills, access account information, sign up for auto and pre-pay, add new services and to their account, and more.

Clients with CAW **MANAGE 5% MORE CUSTOMERS** and have **12% more customers on auto-pay.**

**All integrated with the green industry's leading software**

RealGreen automatically sends customers along their buying journey, saving every piece of valuable information along the way.

**ADD 4+ STOPS A DAY** and **MANAGE 20% MORE CUSTOMERS.**

## SET YOURSELF UP FOR GROWTH!

Partner with the software and solutions that work as hard as you do and free up more of your time to work on growing your business...or whatever else you want to do.
