

Double Your Google Reviews – Fast and Virtually Hands-Off!

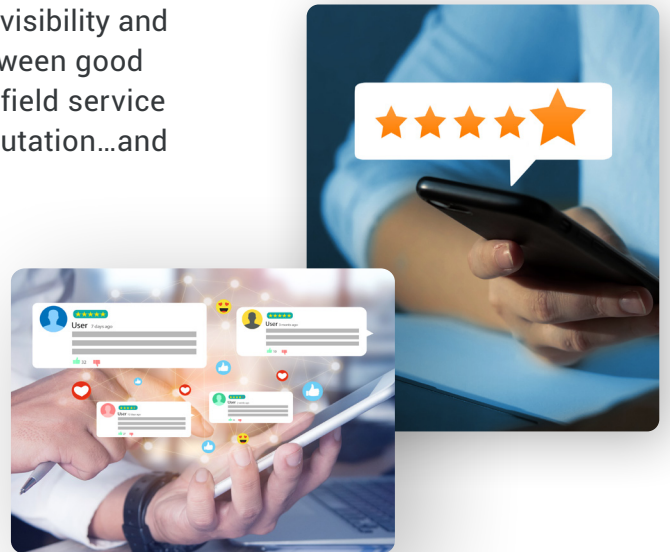

ReviewBot makes it easy for your customers to tell everyone how great you are.

Why Do Reviews Matter?

Continuous Google reviews build social proof, increase visibility and influence customer decisions. There's a direct link between good reviews and increased sales. ReviewBot will help your field service industry business build on and leverage your good reputation...and turn it into growth.

With ReviewBot, You Can Expect:

- ✔ Quick and easy setup
- ✔ Positive Google reviews - fast
- ✔ Customer feedback
- ✔ Virtually hands-off experience
- ✔ Quarterly outreach to keep reviews fresh

What Do You Get?

-  Customizable communication to drive customers to engage with ReviewBot
-  An automated chatbot that will filter out negative reviews and encourage positive ones
-  A ReviewBot consultant will reach out to determine your review outreach cadence, ensuring new, fresh reviews, increasing customer trust and building social proof

How Do You Get Started?
