

# How to Claim CME credit

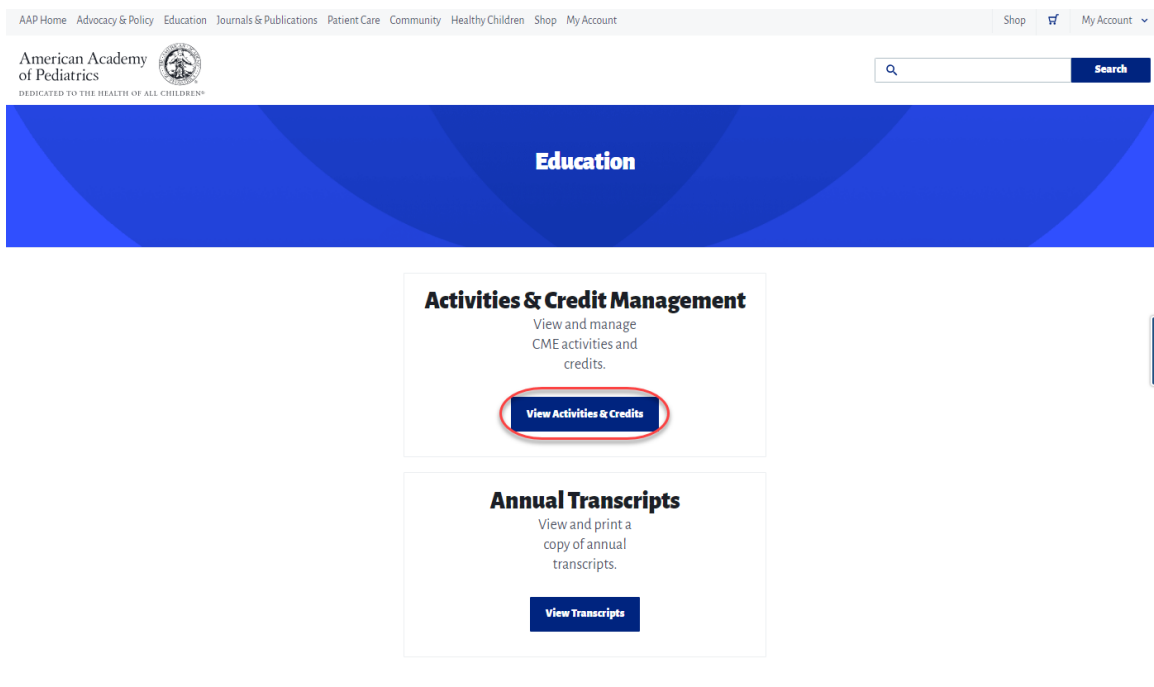

You may refer to the following steps to claim CME Credit for your activity (images are samples)

1. Go to [transcript.aap.org](https://transcript.aap.org)
2. Enter your AAP login credentials and click the Login button

A screenshot of the login page on transcript.aap.org. The page has a white background with a blue header bar at the top. Below the header, there are two input fields. The first is labeled 'Username' in blue text, with a red 'Required' label to its right. Below it is a text input box. To the left of the input box is a blue link that says 'Forgot Username'. The second input field is labeled 'Password' in blue text, with a red 'Required' label to its right. Below it is another text input box. To the left of this input box is a blue link that says 'Forgot Password'. At the bottom right of the form area is a dark blue button with the word 'Login' in white text.

3. Click the View Activities & Credits Button

A screenshot of the American Academy of Pediatrics (AAP) website. The top navigation bar includes links for 'AAP Home', 'Advocacy & Policy', 'Education', 'Journals & Publications', 'Patient Care', 'Community', 'Healthy Children', 'Shop', and 'My Account'. There is also a 'Shop' icon and a 'My Account' dropdown menu. The AAP logo and tagline 'DEDICATED TO THE HEALTH OF ALL CHILDREN' are on the left. A search bar is on the right. Below the navigation is a large blue banner with the word 'Education' in white. Underneath the banner are two white boxes. The first box is titled 'Activities & Credit Management' and contains the text 'View and manage CME activities and credits.' Below this text is a dark blue button with the text 'View Activities & Credits' in white, which is circled in red. The second box is titled 'Annual Transcripts' and contains the text 'View and print a copy of annual transcripts.' Below this text is a dark blue button with the text 'View Transcripts' in white. On the right side of the page, there is a vertical blue bar with the text 'Transcript.aap.org'.

- From the Activities & Credit Management tool, you will be able to see a list of activities that are eligible to claim. To claim CME credit, click the Claim CME link for the activity you want to claim credit for

As we strive to improve your experience with our new system, we have noted that there has been some difficulty for people to locate their CME activity on the site.

If you are unable to find your CME activity on the "2018 Activities" page, please search for your activity under 2016 or 2017, as some activities are logged by the year they were launched, rather than the year they were created. You will still be able to register completion in the current year, regardless of where the activity itself is located.

For additional questions, please contact AAP Member and Customer Care at [ccq@aap.org](mailto:ccq@aap.org) or (866) 843-2271 to report the problem or issue. Please click on the FAQ link above to see information about known issues that are currently being corrected and use the 'Provide Feedback' tab on the right to tell us how we can better serve you.

Provide Feedback

- To view and verify you claimed activities, you can turn off the filter for the eligible to claim activities, and then you will see a list of activities that are claimed or in progress. For activities that have a status of claimed, a View Certificate link will be available to generate any applicable certificates (CME activities). Activities are listed by the year they were released, so you may have to change the filter to display your activities accordingly.

As we strive to improve your experience with our new system, we have noted that there has been some difficulty for people to locate their CME activity on the site.

If you are unable to find your CME activity on the "2019 Activities" page, please search for your activity under 2017 or 2018, as some activities are logged by the year they were launched, rather than the year they were completed. You will still be able to register completion in the current year, regardless of where the activity itself is located.
