

How Do I Access My eBook?

AAP eBook purchases will appear in your [Library](#) list within a few minutes after completion of purchase. If you do not see the item in your [Library](#) folder within a few minutes, please refresh the page or try logging out, closing your browser, and logging back into the site. Below you will find instructions on ways to access your eBook.

AAP Library Site

1. Log in to your account from either www.aap.org or shop.aap.org
 - > On shop.aap.org click on the Library button at upper right, or navigate to My Account and click on the Library button
 - > On www.aap.org navigate to and click on My Account > Account Hub at upper right, then click on the Library link under the Products & Subscriptions section
2. Open the book you would like to access. If you are prompted to log in while accessing the book, sign in with your AAP login credentials and you will be redirected back to the book.

AAP eBooks reader App

This free mobile application allows users to download their AAP eBooks for offline reading on [iOS](#) and [Android](#) tablets and smartphones. Requires 10 MB storage plus the size of the downloaded eBooks, and a current version of iOS or Android.
