- 09/16 - now **Teaching Assistant & Lecturer** [Paul G. Allen School of CS & E, UW-Seattle](#)  
Lecturer for Data Programming (CSE 160, Winter 2019) & Teaching Assistant for Artificial Intelligence, Data Structures and Algorithms, Data Programming, and Serious Games in Python. Experienced leading sections, conducting office hours, and guest lecturing.
- 9/21 - 12/21 **DAAD Rise Professional Intern** [ABB Research Center, Ladenburg \(Germany\)](#)  
As a data science intern, worked on creating apps for data analysis and visualization of multivariate time series data using the Streamlit and Dash Python libraries.
- August 2019 **Guest Lecturer** [Informatica Feminale, University of Bremen \(Germany\)](#)  
Taught two workshops – one on Data Programming using Python and one on Bioinformatics using Python.
- 06/17 - 09/17 **Analytics Intern** [Code.org, Seattle](#)  
Summer internship researching learners' use of the Code.org site. Performed statistical analyses and prepared data visualizations using Tableau and R.
- 03/10 - now **Instructor - Computer Science & Statistics** [Seattle area colleges](#)  
Adjunct instructor, currently teaching CS classes at South Seattle College. Mentored students conducting undergraduate research in data science.
- 07/98 - 03/00 **Family Practice Resident** [University of Massachusetts Medical School](#)  
Cared for my own panel of patients in a Neighborhood Family Health Clinic in Worcester, MA.

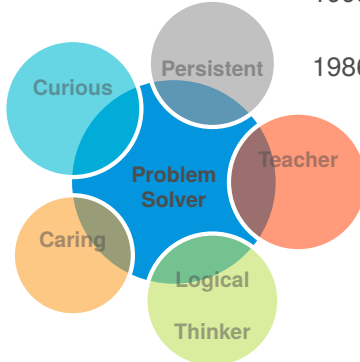

## Programming

## Education

- 2016 - Now **Computer Science PhD Program** [Paul G. Allen School of CS & E, UW-Seattle](#)  
Studying patterns of programmatic skills development and behavior in users of the Scratch online programming platform. Research interests include data science, artificial intelligence, computer science education.
- 2016 - 2019 **Master's Degree in Computer Science** [University of Washington, Seattle](#)  
Researched factors affecting sharing of creative artifacts on the Scratch programming platform.
- 2011 - 2016 **Master's Degree in Pathobiology** [University of Washington, Seattle](#)  
Researched Kaposi's Sarcoma-associated Herpesvirus gene expression using RNA Sequencing. Master's Thesis: *Using the R package Shiny to create web applications that facilitate quantitative gene expression analysis*
- 1993 - 1998 **Doctor of Medicine (M.D.)** [University of Massachusetts Medical School](#)  
Focused on primary care and medical ethics.
- 1986 - 1990 **Bachelor's Degree in Materials Science and Engineering** [MIT](#)  
Conducted undergraduate research internships at Intel Corporation(Chandler, AZ, summer 1988) and GE Aircraft Engines (Lynn, MA, summer 1989).

## Personal Skills

## OS Preference

MacOS ★★★★★  
Windows ★★★★★  
GNU/Linux ★★★☆☆

## Other Places Lived

## Languages

English ★★★★★  
French ★★★★★  
Spanish ★★★★★  
German ★★★★★

## Publications & Presentations

Emilia Gan, Benjamin Mako Hill, Sayamindu Dasgupta

### Feedback, Gender, and Learners' Decisions to Share Their Creative Computing Projects

*Presented at CSCW'18, the 21st ACM Conference on Computer-Supported Cooperative Work and Social Computing*

<https://dl.acm.org/citation.cfm?doid=3290265.3274323>

Emilia Gan

### Gender Differences in Patterns of Project Sharing on the Scratch Online Programming Community

*Presented at The Digital Media and Learning Conference, DML 2017*

A. Gregory Bruce, Serge Barcy, Terri DiMaio, Emilia Gan, H. Jacques Garrigues, Michael Lagunoff and Timothy M. Rose

### Quantitative Analysis of the KSHV Transcriptome Following Primary Infection of Blood and Lymphatic Endothelial Cells

*Pathogens 2017, 6, 11; doi:10.3390/pathogens6010011*

Emilia Gan and Ravi Gandham

### Bringing Introductory Computer Science Concepts to Life Using Graphics

*Poster, Presented at PyCon 2016*

## Honors & Awards

- 04/2019 **Scan|Design Summer Fellowship** [Scan|Design Foundation](#)  
Awarded a fellowship to conduct independent study on computer science and technical education in Denmark and to take a summer course, Game.Play.Design, at Aarhus University.
- 01/2018 **Graduate Cohort Workshop Student Scholarship** [CRA-W](#)  
Computing Research Association - Women:  
*National mentoring workshop for women working towards graduate degrees in computer science.*
- 07/2015 **SISBD Student Scholarship** [University of Washington](#)  
Summer Institutes in Statistics for Big Data:  
*Attended workshops on big data and unsupervised machine learning.*
- 08/2014 **Student Fellowship** [Data Science Dojo](#)  
Data Science Bootcamp:  
*Immersive bootcamp giving practical, hands-on introduction to data science.*

## Volunteer Activities

- 2014 - Now **Mentor** [University of Washington](#)  
Community Data Science Workshops:  
*Assist at workshops teaching researchers how to use Python for data analysis.*
- 2015 - Now **Instructor & Helper** [Software Carpentry](#)  
Software Carpentry Workshops:  
*Trained Software Carpentry Instructor – Lead/assist at sessions to teach researchers and graduate students programming skills.*
- 04/2020 **Mentor** [CodeDay.org](#)  
Virtual CodeDay Event:  
*Served as a mentor for novice youth programmers.*
