Indian Institute of Science

Expression of Interest for Mobile Application Development Services

Date: 12-May-2023

Corrigendum – III

Subject: Extension of date of submission of Expression of Interest for Mobile application development services

Organization Chain: Indian Institute of Science, Bangalore || DIGITS

The last date for submission of documents from the interested parties has been now extended to Friday the 19th of May 2023.

The following documents must be submitted on or before the above-mentioned date. Kindly ignore if already done.

- Certificate of incorporation or registration of the company.
- PAN (Permanent Account Number) card of the company.
- GST (Goods and Services Tax) registration certificate.
- References or testimonials from previous clients or projects.
- Technical proposal outlining the vendor's approach to developing the mobile application, including details of the technology stack, methodologies, and tools to be used.
- Financial proposal specifying the cost of the project, including a breakdown of the costs involved in development, deployment, and maintenance of the mobile application.
