Enablement
- Freely collaborate to improve productivity and foster innovation
- Meaningful integration with the productivity tools you use every day

Empowerment
- Instant access to mission-critical tools and business apps
- Actionable reports and analysis to continuously improve your employee experience

SADA

Partner with the best

At SADA, we climb every mountain, clear every hurdle, and turn the improbable into possible – over and over again. Simply put, we propel your organization forward.

It's not enough to migrate to the cloud, it's what you do once you're there. Accelerating application development. Advancing productivity and collaboration. Using your data as a competitive edge. When it comes to Google Cloud, we're not an add-on, we're a must-have, driving the business performance of our clients with its power.

Beyond our expertise and experience, what sets us apart is our people. It's the spirit that carried us from scrappy origins as one of the Google Cloud launch partners to an award-winning global partner year after year. With a client list that spans healthcare, media and entertainment, retail, manufacturing, public sector and digital natives – we simply get the job done, every step of the way.

2018 GLOBAL Partner of the Year Google Cloud	RESELLER Partner of the Year 2019	NORTH AMERICA Partner of the Year Reseller 2020

"SPI's culture is based on pushing the boundaries of technology, including our business systems. That's why we enjoy working with SADA. They constantly search for new ways for employees to collaborate and be creative while ensuring that we get the most from our investment in Google Workspace."
