Limited warranty and extended service plans

Our industrial large-format printers come with either a 90-day or 1-year limited warranty with Next-Business-Day Whole Unit Exchange² or Next-Business-Day On-Site Repair Service³, depending on the model, featuring genuine Epson parts⁵ and labor.

Maximize savings when you purchase an Epson Preferred Plus Extended Service Plan with your printer. Plans can also be purchased while you are covered under either your limited warranty or the extended service plan. Select a plan that best meets your coverage needs while providing a cost-effective way to protect your investment and manage costs. Out-of-coverage plans are also available.

Epson Extended Service Plans:

- **Maximize savings when you purchase plans with your printer** — save up to 40% on 4- or 5-year plans⁴ versus purchasing stackable 1-year service plans at a later date for the equivalent duration
- **Stay in coverage** — if you let your limited warranty or extended service plan lapse, it could cost at least 50%⁶ more to purchase an out-of-coverage extended service plan
- **Extend product protection** — beyond the limited warranty or extended service plan for up to a total of 5 years of continuous coverage¹
