

EDUCATOR CREDENTIALING EXAMS

Teacher certification applicants who do not have a 3.0 or higher grade-point average (GPA) for the bachelor’s degree must present a passing required score for any combination of the basic skills reading, writing and mathematics exams listed below. Graduate degree GPAs are not applicable and the GPA allowance does not substitute for required subject content and pedagogy exam requirements. Passing scores on basic skills exams do not expire.

For study materials, test registration, fees, special accommodations and other related information, please contact the Educational Testing Service (ETS) at: www.ets.org/praxis or 1-800-772-9476 or 1-609-771-7395.
