STRATEGIC PRIORITIES

- Launch 2024-2026 Health Equity Strategic Plan
- Continue Providence's Health Equity Fellowship Program
- Reducing inequities in outcomes, access and experience
- Sustained efforts to meet or exceed health equity related regulatory requirements
- Update Providence's Health Equity grants process
- Sustain and scale efforts to screen for and address social determinants of health across all settings
- Pilot billing for traditional health worker services
- Leverage innovation and technology to scale impact of health equity efforts
