Complaint about price

I purchased a service from you on .... and believe that the price is not the one we agreed upon. The agreed price was .... , and I therefore object to the .... mark-up.

I ask that you consider my complaint and explain the difference between the agreed and the billed price. I am aware that disputed invoices cannot be sent for debt collection, and I urge you to inform your debt recovery agency of this complaint.

I kindly ask you to reply to this letter within 7 days.

Best regards
