Also complete this part to provide any additional information. See instructions.

Part I, Line 2:

Grantmaking is closely managed by managers of the grantmaking programs, as well as by FLI's legal and finance departments. For grants to foreign entities and individuals, pre-award diligence includes checking grantee leadership and individual grantees against Specially Designated Nationals /U.S. sanctions lists maintained by the Office of Foreign Assets Controls of the U.S. Treasury Department to confirm that payments are not prohibited. Applications for grants from the Press Freedom Defense Fund are reviewed by directors of the Fund, and sensitive grants to foreign entities and grants exceeding certain thresholds are referred for consultation and advice to an advisory committee of legal and journalism experts. Applications are voted on according to the directors' assessment of the importance of the grantee or a specific grantee's situation to the promotion of freedom of the press. For grants made to support legal defense of news organizations or whistleblowers, payments are usually made directly to attorneys representing the grantees upon submission of and approval of attorney invoices, and are based upon written grant agreements setting forth grantee/attorney obligations to expend the funds solely for the approved charitable purposes, submit narrative reports in addition to detailed invoices, and provide information for the promotion of the educational purposes of FLI.

Part I, Line 3, Column (e):

Region: East Asia and the Pacific - Australia, Brunei, Burma, Cambodia, (e) Specific Types of Services in Region: Legal defense fees and costs incurred by the Grantee in prosecutions brought in by the Philippines
