custom requirements.

Installation & Servicing

- **Easy to install with hand tools and you do not require any special machinery.**
- **Wheel Balancing as we do a normal tire.**
- **It does not need regular servicing unless its being used on Runflat mode.**
- **Can be re-fitted when changing with new tires so our Runflats serves longer.**
- **Can be reused on the same wheel rims and Tires.**

Our RUNFLAT Tires / Wheels

RUNFLAT Tire Systems can supply these tires and can also supply Custom made Wheel Rims.

Specialty Tires	Heavy Duty Wheels
Michelin	Bolt on wheels in Forged Aluminum
Continental	Drop Center wheels in Forged Aluminum
Pirelli	Wheel Rims in Three piece steel (Lock ring type)
Goodyear	Bolt on Wheels in steel two piece
Hankook	Special purpose wheels custom made
