**RE: IMPORTANT UPDATE: Converted Refillable Containers to Non-Refillable Containers – RETRACTED**

---

Please be advised that the BCMB is retracting the Depot Notices sent on Friday September 14, 2018 and Wednesday September 19, 2018 regarding Refillables Converted to Non-Refillables. The BCMB's database previously displayed incorrect information that needed to be addressed internally. After further review, we understand that these Notices have caused some unnecessary confusion. This process will be reviewed internally to ensure this doesn't occur again in the future.

We apologize for any inconvenience this has caused.

Please proceed with sorting these containers as you would have prior to these Notices being issued. The BCMB Portal has been revised to reflect the appropriate sorting based on the particular container type. The BCMB will deal with this registration cleanup internally so that there is minimal effect to the Depot Network going forward.

The BCMB remains committed to bringing accuracy, transparency and fairness through the Alberta Deposit System.

If you have any questions, please direct them to Melissa Malin at 780-424-3193 ext. 221 or Toll Free: 1-888-424-7671 or by email [mmalin@bcmb.ab.ca](mailto:mmalin@bcmb.ab.ca).

Thank you.

**RE: Converted Refillable Containers to Non-Refillable Containers**

---

To Depot Operators and Staff,

In reference to the Depot Notice issued on Friday, September 14, 2018 (attached following pages), regarding Converted Refillable Containers to Non-Refillable Containers, we would like to clarify the following:

The application of the new sorts (refillable to non-refillable) applies to containers received after September 14, 2018. Any containers that were received prior to the notice and that have been palletized may be treated as they were before the change, provided they are sent to BDL by September 28, 2018.

If you have any questions, please direct them to Brent Campbell at 403-200-2329 or by email [bcampbell@bcmb.ab.ca](mailto:bcampbell@bcmb.ab.ca).

Thank you.

## 2) How to handle these beverage containers when received at your Depot

Effective immediately, please treat the above list of beverage container as one-way non-refillable containers. These beverage containers should be sent to the Alberta Beverage Container Recycling Corporation (ABCRC) according to procedures in the ABDA and ABCRC Service Agreement. The Service Agreement can be found on the BCMB website at [www.bcmb.ab.ca](http://www.bcmb.ab.ca) under the Depot Owner/Operator tab, *Depot Logins & Resources*. If you are unsure whether a beverage container is registered, please submit a Quality Monitoring System (QMS) ticket. You can access the QMS at <https://bcmb.zendesk.com>

If you have any questions, please direct them to Melissa Malin at 780-424-3193 x221 or 1-888-424-7671 or by email [mmalin@bcmb.ab.ca](mailto:mmalin@bcmb.ab.ca).

Thank you.
