### **LAST DRAW WINNER**

The GPS Container Depot Ltd. has just won a lunch party for submitting images for our beverage container registrations database for the month of September 2018.

The September 2018 draw was the last draw for this contest. The BCMB would like to say a big thank you to all Alberta Depots that have sent in images, container inquiries, etc. to the BCMB through the Quality Monitoring System (QMS). The BCMB has been able to update our database and follow-up with manufacturers to ensure compliance.

**The BCMB would like to encourage Alberta Depots to continue to send all container inquiries to the BCMB through the QMS.**
