RE: **Out of Province Containers – Lloydminster**

---

Attention Depot Operators and Staff,

The Beverage Container Management Board (BCMB) received notification from the Depot in Lloydminster, that a customer attempted to return **a large quantity of out of province material (2000+ containers). The containers were in pre counted, clear plastic bags. They were hand-crushed and appeared to be mostly water bottles.** The customer arrived with a **semi-trailer that displayed the name “Right-Link Logistics Ltd”.**

The customer confirmed that they were from British Columbia and that the beverage containers were from British Columbia as well. The depot explained that the material could not be accepted in Alberta and the customer left with the product.

Please be aware that these containers could be brought into your Depot in the near future (especially if you are in the Lloydminster area or central/southern Alberta toward British Columbia). If you suspect that these containers have arrived at your Depot, request that the individual fill out the CVR form and do not pay for these containers. Please quarantine the containers at your Depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to provide the customer with the BCMB phone number so they know who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product, they may do so but please make note of the encounter and notify the BCMB.

For more information, please contact a BCMB Compliance Officer by calling/emailing:
