

---

**DATE:** September 9, 2020

**TO:** Depot Network

**RE:** **New BCMB Compliance Officers**

---

The BCMB is very pleased to announce that two new Compliance Officers have been added to our Team - Lesley Koopman and Taylor Jones.

Lesley will be working from our Edmonton office; she has a background in Compliance having worked as a Compliance Officer for Lac St Anne County for the past few years.

Taylor will be working from Calgary; Taylor has experience in inspection and testing within the environmental side of the oil and gas industry.

Both also have experience working with By-law and Regulations.

I have every confidence that they will both be excellent Compliance Officers.

Please be sure to make them feel welcome as you encounter them during your work.

A reminder that the contact information for all BCMB Staff can be found on our website at - <https://www.bcmb.ab.ca/contact/>.

Lesley Koopman

Taylor Jones
