RE: **Depot Notification - Crushed Out of Province Material**

Attention Depot Operators and Staff,

The BCMB was notified recently by Bea Fisher Enterprises Inc. Bottle Depot in Lloydminster that a customer attempted to return **17-18 bags of crushed aluminum cans and PET (0-1)**. The customer had a **black dodge 2500 Ram Truck** with an **Ontario license plate**.

Please be aware that these containers may be brought into your Depot in the near future (particularly if you are in the Lloydminster area). If you suspect that these containers have arrived at your Depot, please submit a Container Validation Request via the Quality Monitoring System (QMS). Please quarantine the containers at your Depot – do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Be sure to provide the customer with the BCMB phone number so they know who to contact regarding these containers.

If the customer remains unwilling to fill out the form and wishes to leave with the product, they may do so but please make note of the encounter and notify the BCMB.

For more information, please contact a BCMB Compliance Officer immediately by calling/emailing:
