RE: **Repeated Attempted Break-ins at Breton Bottle Depot**

Attention Depot Operators and Staff,

The Beverage Container Management Board (“BCMB”) has been informed of an attempted break-in that occurred at the Breton Bottle Depot. The incident took place **at some point between 5:00PM Monday, January 11, 2021 and 3:00PM Tuesday, January 12, 2021.**

Please be advised that **the break-in was unsuccessful, and nothing was stolen from the depot.** Therefore, there is no risk of the perpetrators attempting to return stolen beverage containers to another depot. The Police have been informed of the incident and the Depot has further increased their security measures.

This has happened previously at Breton Bottle Depot, therefore the BCMB wanted to inform all Depots of this second occurrence and reinforce the importance of having adequate security measures and proper storage at your depot. Please refrain from keeping cash on your premises overnight if possible or keep it in a secure location such as a safe if you have one.

Should you have any questions please contact Mark Emsden at memsden@bcmb.ab.ca.
