RE: **Potential Out of Province Containers at Bea Fisher Bottle Depot**

Attention depot operators and staff,

This notice is to inform you that Bea Fisher Enterprises Bottle Depot in Lloydminster recently encountered customers attempting to return containers who were suspected to be from out of province. The customer was driving a **black Ford F-150** pulling a **flat bed trailer**. The truck had the logo for **Dore Lake Lodge**, which is confirmed to be located in northern Saskatchewan. The customer claimed to still have two more loads of containers.

Please be aware that these customers may attempt to return these containers to your depot, especially if you are located near Lloydminster or the Saskatchewan border. If you suspect that these containers have arrived at your Depot, please submit a Container Validation Request (CVR) via the Quality Monitoring System (QMS) and quarantine the containers at your Depot. Do not provide a refund to the customer and do not ship the containers to ABCRC until advised by the BCMB. Please be sure to provide the customer with the BCMB phone number so they know who to contact regarding these containers. Should the customer refuse to complete a CVR or leave with the material, please ensure that you still notify the BCMB. Provide as much detail as you can and include security images if possible.

The CVR process can be found here:
