RE: **Update: BCMB Registration Portal Maintenance**

---

This is an update to the [notice sent January 10, 2022](#). Please be advised that the [BCMB Registrations Portal](#) maintenance has been completed and it is back online and running as normal. This means that the Registrations Portal can again be used to confirm whether beverage containers are registered. The barcode scanner in the QMS app is also back up and functioning as normal.

Thank you for your patience while this maintenance was being completed.

Should you have any questions, please do not hesitate to contact the BCMB Registrations Team at [registrations@bcmb.ab.ca](mailto:registrations@bcmb.ab.ca).
