RE: **Attempt to Return Large Quantity of Suspicious Containers**

---

**Attention Depot Operators and Staff,**

The Beverage Container Management Board (“BCMB”) has been informed that on July 18, 2022, a lone **male driving a black truck with license plate CHH 2981** attempted to return approximately **5000 PET 0 – 1 Litre** containers to the Green Bottle Depot Harvest Hills in Edmonton. The containers all appeared to be unfilled. The customer refused to provide any contact information and left some containers at the depot.

This notice is to make depots aware of this occurrence in the event that this customer attempts to return these containers to another depot, particularly in the Edmonton area. Should this man visit your depot with these containers, please follow the CVR process. Please do not provide a refund for these containers, however they may be accepted as non-deposit bearing material to be recycled appropriately.

Should you have any questions, please contact a Compliance Officer at [compliance@bcmb.ab.ca](mailto:compliance@bcmb.ab.ca).
