**RE:** **Trailer Theft at City Centre Bottle Depot**

---

**Attention Depot Operators and Staff,**

The Beverage Container Management Board (“BCMB”) has been informed at 7:50 am on Sunday September 4, 2022 that a fully loaded Baseline spot trailer containing 49 mega-bags of various material streams, had been stolen overnight from City Centre Bottle Depot in Edmonton. The trailer had “Depot” branding on the side with unit number 8914. The trailer was stolen between the hours of 3:30 am – 4:00 am with a grey Kenworth tractor with a sleeper berth. A police file has been created.

Depots are requested to be vigilant, and should any customers attend your depot and attempt to return unusually large numbers of containers, please conduct whatever checks you can to verify their origin. If you are in any doubt, please follow the CVR process and obtain as much detail about the individuals and any vehicles they may be using which may assist the police.

If your depot has CCTV and you think you may have captured something that may assist the police, please ensure you retain the footage for their use and notify BCMB’s Compliance team.

Should BCMB obtain further information we will share it as it becomes available.

If a break-in and/or theft should occur, please ensure that after notifying local authorities, you also contact the BCMB ([info@bcmb.ab.ca](mailto:info@bcmb.ab.ca)) to advise us of the incident. This allows the BCMB to notify the Depot Network of the incident and to remind depots to follow CVR processes if it is suspected that any stolen material has arrived at their depot.

Should you have any questions, please contact a Compliance Officer at [compliance@bcmb.ab.ca](mailto:compliance@bcmb.ab.ca).
