RE: **Registrations Portal – Temporarily Inaccessible**

Attention depot operators and staff,

The Registrations Portal is currently not accessible due to technological issues. Our IT Manager, Travis Wizniuk, is diligently working on a solution and we expect the portal to be back up before the end of today. We will send another update when the problem is fixed, and the portal is accessible again.

In the interim, we apologize for any inconvenience this may cause. If you have any questions, please reach out to a member of the BCMB Compliance Team. We are happy to help answer any questions you may have.
