

Human Capital Management

Partnering to Transform Core HR Solutions

CACI drives human capital management (HCM) transformation, from “hire to retire,” with a track record of long-term service as a trusted partner. Our solutions enhance business practices to attract, engage, and retain tomorrow's talent today. We partner to enable disparate and end-to-end payroll and personnel solutions that improve the accuracy and availability of data that helps customers better comply with regulations. The U.S. Army, U.S. Navy, Intelligence Community, and federal civilian organizations have all chosen CACI to deliver unique HCM solutions. Drawing on our record of success, practical experience implementing at-scale enterprise solutions, industry-leading Agile development methodologies, and proven technology expertise, we deliver results that advance your most valuable capital – your workforce.
