

Warranty

Auto Warranty

Simple choice. Powerful coverage.

Backed by over 30 years of experience in warranty, CNA is committed to designing customized solutions to address complex regulatory, marketing and risk transfer needs across a wide range of products, including furniture. With over \$5 billion in annual gross revenue and an estimated 17% market share in the U.S., CNA is one of the largest and most experienced underwriters and providers of warranty-related products and services.

CNA offers:

- Comprehensive insurance, warranty and product protection solutions, addressing your complex regulatory, marketing and risk transfer needs
- The ability to insure the obligations of third-party providers of warranties and service contracts in all industries
- A suite of CNA obligor companies licensed to issue non-insurance contracts in all states
- International capabilities in underwriting, risk management and reinsurance
- CNA partners with experienced third-party administrators with customer care specialists who are experienced and specifically trained to handle customer claims that arise.

CNA National, a wholly owned subsidiary, features a full-service automotive warranty claim administration center and offers auto dealers a suite of automotive warranty and ancillary products through specialized agents and independent representatives.

With more than a century of experience, CNA National has developed a reputation for offering more than just a policy. CNA's underwriting and risk control professionals offer tailored industry-specific coverages and provide you with the tools and resources you need to understand your exposures and address potential losses.

Our wide range of auto warranty solutions

CNA offers a variety of auto warranty solutions that provide a competitive advantage for affinity groups (direct to consumer, motor clubs and roadside assistance), auto accessory and parts distributors, auto accessory and parts retailers (batteries, parts and tires), auto and motorcycle OEMs and distributors, car rental companies, commercial vehicles (including commercial trucks), independent auto dealers, insurtech (direct-to-consumer/online channel), financial institutions (banks/credit unions), mobility service providers, national auto dealers and power sports.

What auto warranty coverage solutions can CNA support?

- Vehicle Service Contracts
- Guaranteed Asset Protection (GAP)
- Tire and Wheel
- Windshield Repair
- Key Replacement

Implementing the program is easy. Meet with your agent and CNA Warranty sales representative to discuss your unique needs. Receive a CNA proposal and launch your Auto Warranty Program.

The strength and stability of CNA

With an A+ rating for financial strength and over 120 years of insurance industry expertise, our reputation is built on a solid foundation. CNA is a member of the Service Contract Industry Council (SCIC) and the Electronics Components Industry Association (ECIA) and a leading commercial equipment warranty provider. There's no one-size-fits-all approach here – our veteran underwriters and skilled actuaries are proven industry experts who can provide flexible, innovative solutions that meet your unique needs.

CNA's diversified team is knowledgeable and experienced on all sides of the warranty value chain. Our underwriters are industry veterans who understand the challenges associated with protection plans and the covered products. We have the expertise and flexibility to tackle complex exposures and

coverage requirements. CNA's actuarial analysts have the skills to accurately price product exposures to accommodate unique risks and coverage structures. Our expertise, resources and flexibility allow us to understand client needs and recommend superior solutions that meet those needs.
