8. APÉNDICE A-1

¡Enhorabuena, ya tienes tu ratón NZXT LIFT Mouse!
Tanto si te dedicas profesionalmente al streaming
como si juegas solo por diversión, sea cual sea
tu caso, te damos la bienvenida como usuario de
dispositivos periféricos de NZXT.

2. INFORMACIÓN SOBRE EL RATÓN LIFT MOUSE

LIFT

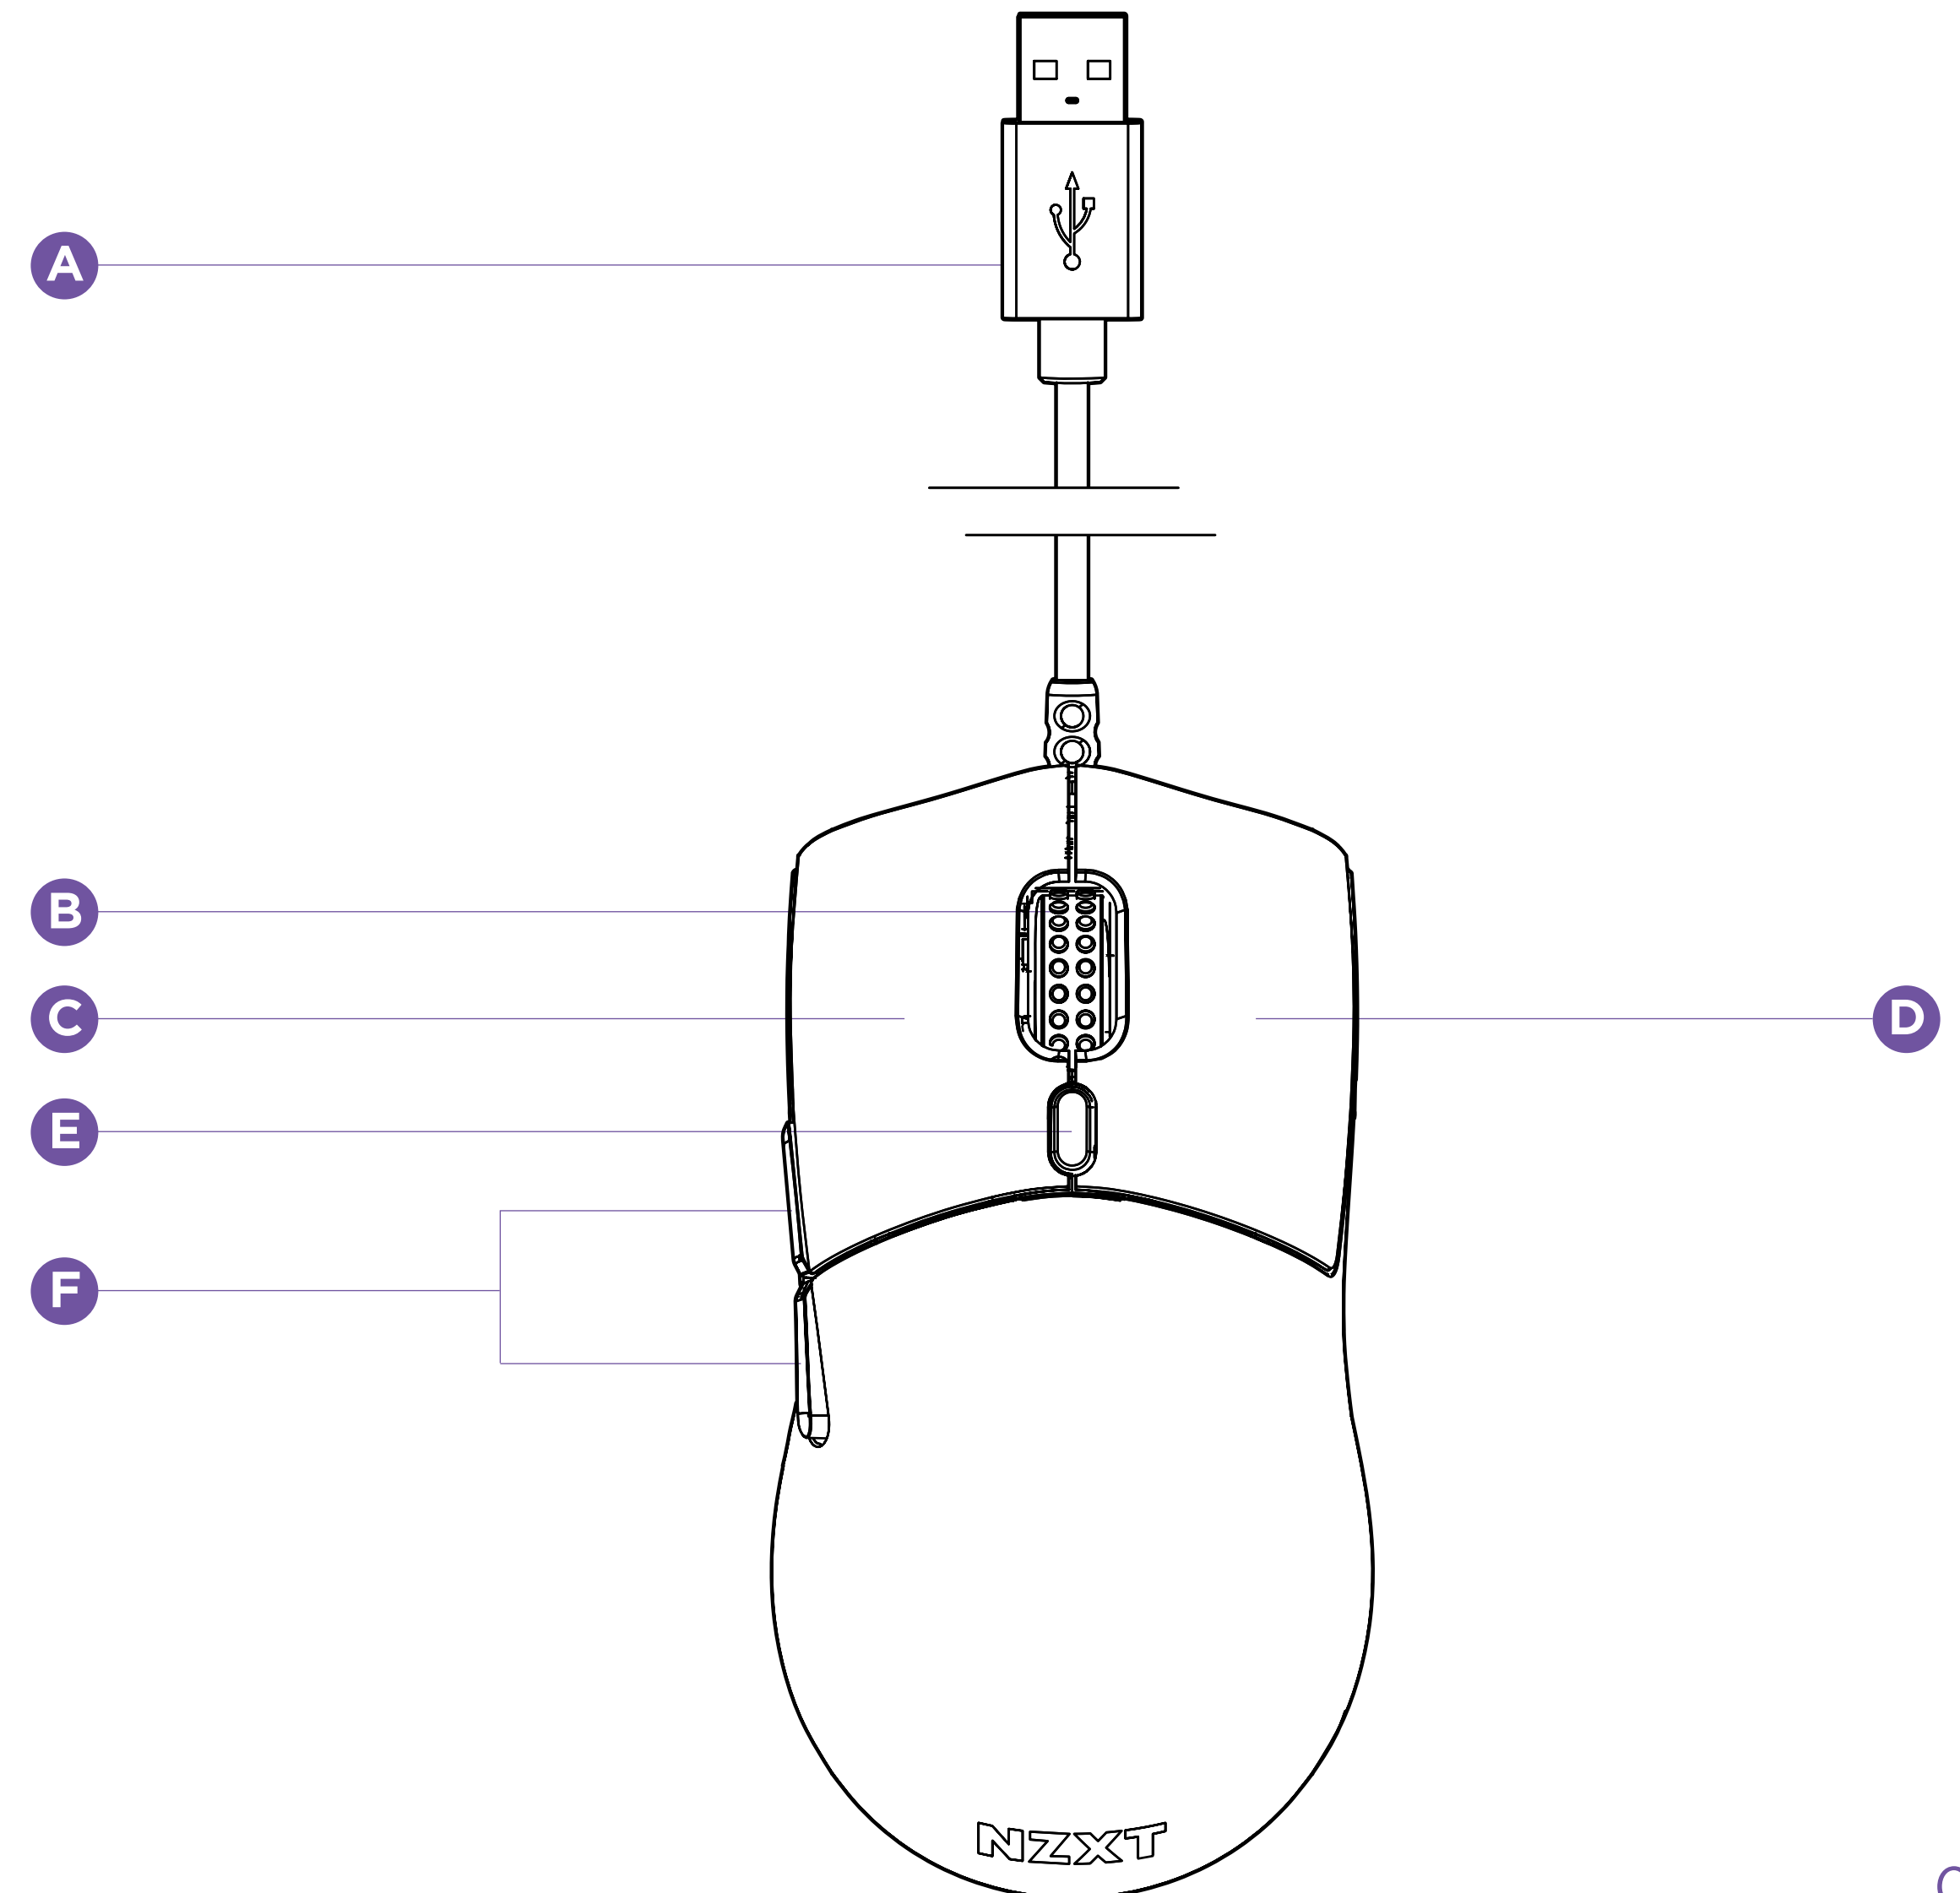

El ratón NZXT Lift Mouse tiene un diseño ligero y ergonómico, ideal para jugar durante más tiempo. Su forma, apta para zurdos y diestros, permite agarrarlo como prefieras, y su avanzado sensor PixArt detecta fácilmente el movimiento sobre cualquier tipo de alfombrilla para ratón.

RATÓN NZXT LIFT MOUSE

- A. Cable USB de 2 m (fijo)
- B. Rueda del ratón
- C. Botón izquierdo
- D. Botón derecho
- E. Botón de ppp/perfil (ajuste predeterminado)
- F. Botones laterales (avance/retroceso)

4. CONFIGURACIÓN DEL RATÓN

LIFT

1. Conecta el cable USB a cualquier puerto USB 2.0 (o más rápido) que esté disponible en tu ordenador.
2. Elige el ajuste de sensibilidad (ppp) que prefieras: para ello, pulsa brevemente el botón de ppp e irás pasando de un ajuste predeterminado a otro, de menor a mayor sensibilidad.
3. Los ajustes de ppp se pueden personalizar aún más en el software NZXT CAM. Por ejemplo, como usuario, es posible que solo necesites un ajuste de ppp o unos cuantos, según tus preferencias. Dentro de CAM, puedes quitar los ajustes personalizados que no te sirvan y guardar los restantes en tu ratón, dentro de un perfil (consulta el apartado 5, a continuación).
4. Aunque el ratón Lift Mouse funciona prácticamente sobre cualquier superficie, se recomienda usar una alfombrilla de ratón para que el movimiento se detecte de manera óptima.

Refer to the diagram by stating the DPI button is "E"

E

SELECCIÓN DE UNA CONFIGURACIÓN DE ILUMINACIÓN PREDETERMINADA

1. Pulsando el botón de ppp de manera prolongada (manteniéndolo pulsado entre uno y tres segundos), puedes ir cambiando entre los diferentes modos de iluminación preprogramados.
2. Los usuarios pueden descargar y activar el software NZXT CAM para usar los cuatro perfiles incorporados, cada uno de los cuales puede incluir diversos ajustes personalizados de sensibilidad (ppp), macros e iluminación. Estos ajustes se activan automáticamente al elegir un determinado perfil, manteniendo pulsado el botón de ppp.
3. Una vez que se han cargado los perfiles y ajustes en el ratón Lift Mouse con NZXT CAM, se puede usar el ratón sin tener que abrir el software. También se puede utilizar el ratón con otro ordenador conservando los ajustes guardados en el ratón.

Refer to the diagram by stating the DPI button is "E"

E

A. DESCARGA E INSTALACIÓN DEL SOFTWARE CAM

Ve a <https://nzxt.com/software/cam> para descargar la versión más reciente de CAM.

B. CONFIGURACIÓN DE PERFILES DE CAM Y ALMACENAMIENTO EN EL RATÓN

El ratón Lift Mouse tiene incorporados cuatro perfiles que se pueden configurar y guardar mediante el software CAM. Una vez almacenada la información de los perfiles, no es necesario volver a abrir CAM para usar la iluminación, las macros, etc., que se hayan guardado.

C. CONTROL DE LOS CAMBIOS DE PERFIL

Al mantener pulsado el botón de ppp entre uno y tres segundos (pulsación larga), el ratón pasará al siguiente perfil guardado (del 1 al 4).

D. MODOS DE ILUMINACIÓN

Hay cuatro modos de iluminación predeterminados, guardados en los perfiles del 1 al 4, y se puede pasar de uno a otro pulsando el botón de ppp de forma prolongada.

E. PERSONALIZACIÓN DE LA ILUMINACIÓN RGB

En CAM > Ratón > Iluminación, los usuarios pueden personalizar la iluminación y configurar perfiles de iluminación (si lo desean), como se explica en el apartado b.

F. PERSONALIZACIÓN DE MACROS

En CAM > Ratón > Macros, los usuarios pueden crear macros sencillas o complejas, y guardarlas en perfiles (si lo desean), como se explica en el apartado b.

G. CAMBIO DE LAS ASIGNACIONES DE TECLAS

En CAM > Ratón > Reasignación de teclas, los usuarios pueden crear vinculaciones de botones nuevas y personalizadas, y guardarlas en perfiles (si lo desean), como se explica en el apartado b.

A. CONTROL DE LA ILUMINACIÓN RGB

1. Hay cuatro modos de iluminación predeterminados, guardados en los perfiles del 1 al 4, y para usarlos se puede pasar de uno a otro pulsando el botón de ppp de forma prolongada. Si se ha configurado alguna iluminación personalizada, y se ha asignado a uno de los perfiles incorporados, al cambiar a un perfil personalizado, se activará esa iluminación personalizada.

B. CAMBIO A PERFILES GUARDADOS (1-4)

2. Al mantener pulsado el botón de ppp (pulsación larga), se cambia al siguiente perfil activo.

8.2 NZXT Global Warranty Policy..... A-3

8.3 Support and Service..... A-9

8.4 Regulatory Notices..... A-12

8.5 Revision History..... A-13

8.1 SUPPORT

If you have an issue and you need further help to resolve, please contact us via email at: support@nzxt.com

8.2 NZXT GLOBAL WARRANTY POLICY

This NZXT Global Warranty Policy governs the sale of products by NZXT to you.

I. WARRANTY LENGTH

Any replacement product will be covered under warranty for the remainder of the warranty period or thirty days, whichever is longer. Proof of purchase is required for warranty service.

II. WHO IS PROTECTED

The Warranty covers only NZXT products purchased by the original consumer.

NEW NZXT PRODUCT	WARRANTY LENGTH FOR PARTS
Computer Cases	2 Years
Temperature Meters	2 Years
Fans	2 Years
Lighting	2 Years
Accessories	2 Years
Kraken M Coolers	3 Years
NZXT Keyboard/Mouse	2 Years
Headset/Headphone Storage	2 Years
USB Microphone	2 Years
Motherboards	3 Years
Gold Power Supply	10 Years
Kraken X/X RGB/Z Coolers	6 Years
Mini ITX Case with PSU, AIO, and Riser Card	3-year warranty on case, riser card, and AIO. 10-year warranty on PSU.
REFURBISHED NZXT PRODUCT	WARRANTY LENGTH FOR PARTS
All NZXT Certified Refurbished Products	1 Years

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT’s reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT’s sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.

V. LIMITATIONS OF IMPLIED WARRANTIES

Here are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner's manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased

directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization "RMA" request.

Once approved, you`ll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.

VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT's liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

- For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - > Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - > Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - > Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

- If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.

IX. WARRANTY SERVICE FROM RESELLERS

In the event that a warranty service is sought, you must provide proof of purchase (store receipt or invoice) in order to receive the service and if deemed necessary, repair or replacement product.

In North America:

Within the first 60 days after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval and an RMA number.

In Europe:

Within the first year after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

In Australasia:

Within the first two years after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

The cost of shipping will be borne at the first instance by you; however, if the purchased item is defective, NZXT will reimburse reasonable postage or transportation of costs.

Outside North America, Europe, and Australasia:

If your product needs to be returned within the warranty period, please contact the retailer or distributor from whom you purchased the product.

X. NZXT.COM STORE RETURNS/EXCHANGE POLICY

Eligible products under this NZXT Warranty qualify for a full refund or exchange only with an authorized RMA number and if the item is returned to the NZXT.com store inventory within 30 days of purchase. Returns are not allowed beyond 30 days of the purchase date. The NZXT.com Store reserves the right to deny any return or exchange. Refunds will be credited to the original method of payment. To initiate a return, simply submit a request via NZXT support site.
