8. ANNEXE A-1

1. INTRODUCTION

LIFT

Félicitations, vous avez acquis votre propre souris NZXT LIFT ! Que vous soyez streamer professionnel, joueur occasionnel, ou quelque part entre les deux, nous sommes ravis que vous ayez choisi la gamme de périphériques NZXT !

2. À PROPOS DE LA SOURIS LIFT

LIFT

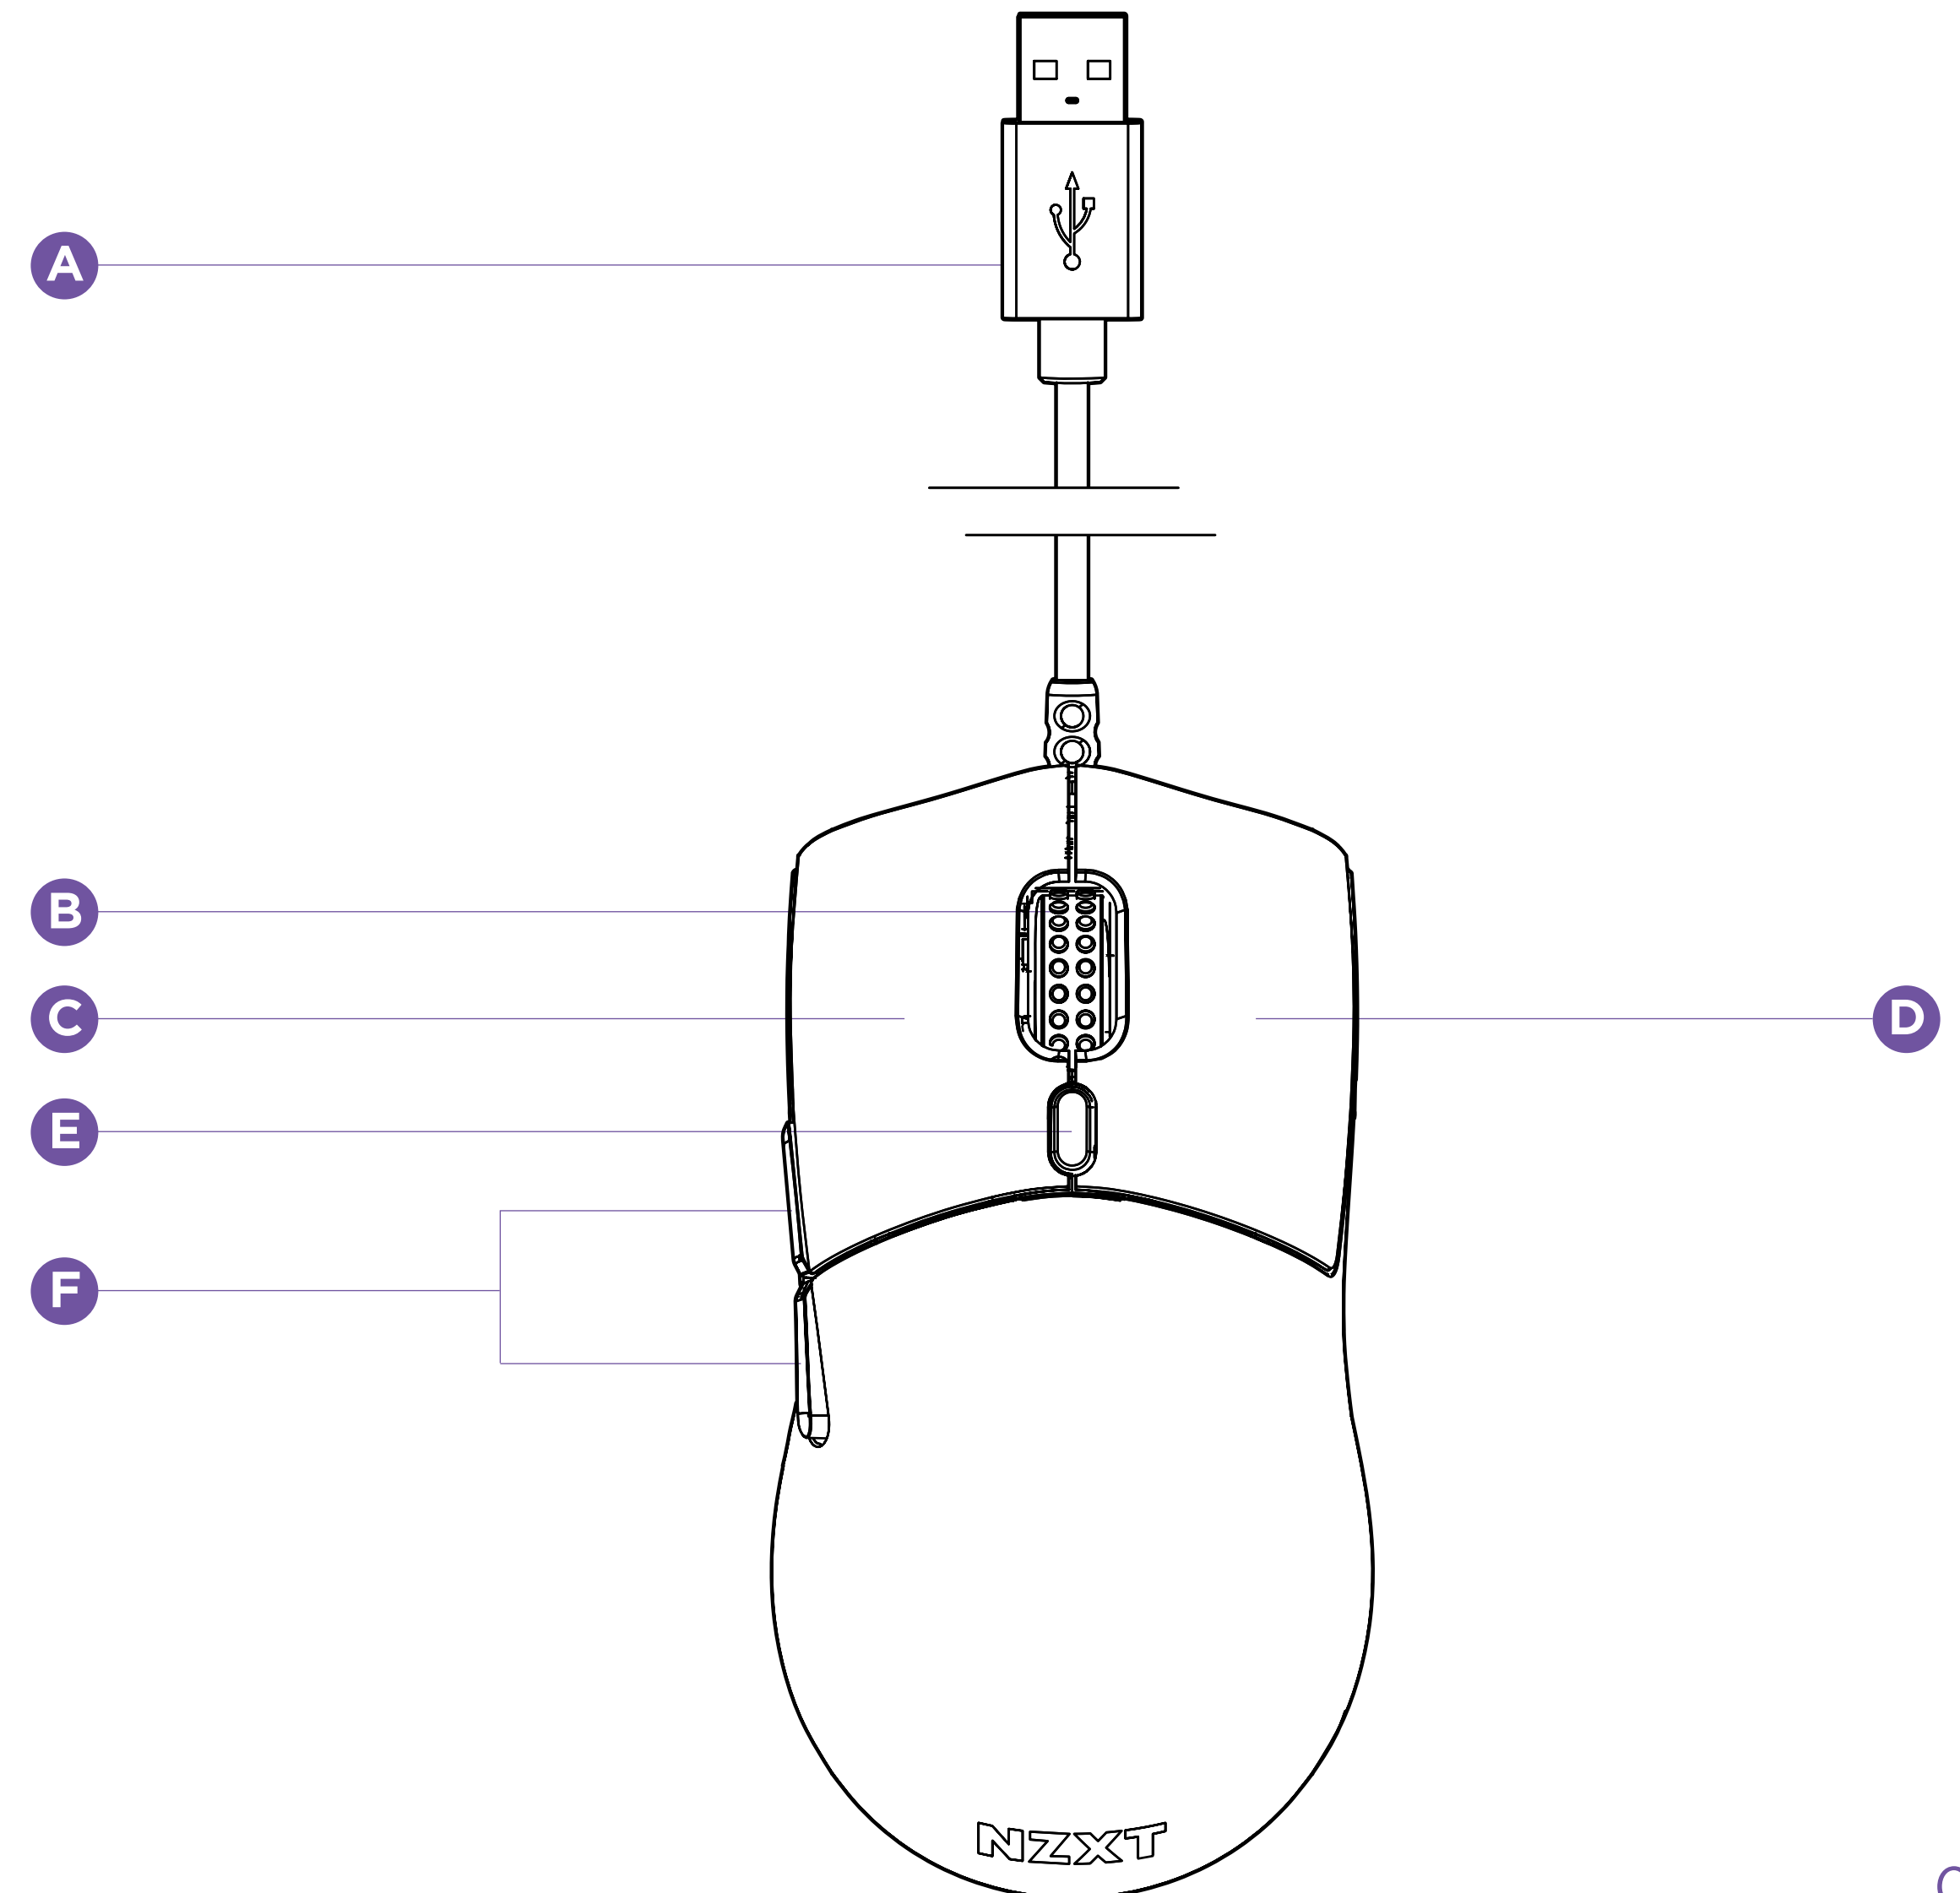

La souris NZXT Lift est prévue pour prolonger les sessions de jeu grâce à sa conception légère et ergonomique. Sa forme ambidextre vous permet d'adopter la préhension de votre choix et le capteur PixArt haut de gamme détecte facilement la surface de n'importe quel type de tapis de souris.

SOURIS NZXT LIFT

- A. Câble USB de 2 m (relié)
- B. Molette de volume
- C. Bouton gauche
- D. Bouton droit
- E. Bouton DPI/profil (réglage par défaut)
- F. Boutons latéraux (avant/arrière)

4. CONFIGURATION DE LA SOURIS

LIFT

1. Branchez le câble USB sur n'importe quel port USB 2.0 (ou plus rapide) disponible de votre PC.
2. Choisissez un réglage DPI qui correspond à vos préférences en appuyant brièvement sur le bouton DPI. Vous pouvez faire défiler différents réglages par défaut, d'une sensibilité faible à élevée.
3. Les réglages DPI peuvent être encore plus personnalisés dans le logiciel NZXT CAM (par exemple, vous aurez peut-être besoin d'un seul réglage DPI en tant qu'utilisateur ou de seulement quelques-uns, selon vos préférences). Dans CAM, vous pouvez réduire le nombre de paramètres personnalisés et les enregistrer sur votre souris dans un profil (consultez la section 5 ci-dessous).
4. Même si la souris Lift fonctionnera sur presque n'importe quelle surface, l'utilisation d'un tapis de souris est recommandée pour une détection optimale.

Refer to the diagram by stating the DPI button is "E"

E

DÉFILEMENT DES PARAMÈTRES D'ÉCLAIRAGE PAR DÉFAUT

1. Un appui long sur le bouton DPI (pendant une à trois secondes) vous permet de parcourir plusieurs modes d'éclairage préprogrammés.
2. En téléchargeant et en activant le logiciel NZXT CAM, les utilisateurs peuvent utiliser jusqu'à quatre profils intégrés auxquels divers paramètres peuvent être associés et permettant d'enregistrer des paramètres DPI, des macros et des éclairages personnalisés. Ces paramètres sont automatiquement activés lorsque vous basculez sur un profil spécifique en appuyant longuement sur le bouton DPI.
3. Une fois les profils et les paramètres chargés sur la souris Lift via le logiciel NZXT CAM, il est possible d'utiliser la souris sans exécuter le logiciel. Vous pouvez également transférer la souris entre différents ordinateurs grâce aux paramètres enregistrés dessus.

Refer to the diagram by stating the DPI button is "E"

E

A. TÉLÉCHARGEMENT ET INSTALLATION DU LOGICIEL CAM

Accédez à <https://nzxt.com/software/cam> pour obtenir la toute dernière version de CAM

B. CONFIGURATION DES PROFILS CAM ET ENREGISTREMENT SUR LE CLAVIER

La souris Lift comporte quatre profils intégrés pouvant être configurés et enregistrés à l'aide du logiciel CAM. Une fois les informations de profil enregistrées, il n'est pas nécessaire d'exécuter CAM pour faire fonctionner l'éclairage, les macros et autres éléments enregistrés.

C. CONTRÔLE DU CHANGEMENT DE PROFIL

Un appui sur le bouton DPI pendant une à trois secondes (appui long) permet de passer au profil enregistré suivant (1 à 4, respectivement).

D. MODES D'ÉCLAIRAGE

Quatre modes d'éclairage par défaut sont enregistrés sur les profils 1 à 4 et vous pouvez les faire défiler en appuyant longuement sur le bouton DPI.

E. PERSONNALISATION DE L'ÉCLAIRAGE RVB

Grâce à CAM/Mouse/Lighting, les utilisateurs peuvent personnaliser l'éclairage et configurer un éclairage sur des profils (s'ils le souhaitent), comme expliqué dans la section b.

F. PERSONNALISATION DES MACROS

Grâce à CAM/Mouse/Macros, les utilisateurs peuvent créer des macros simples ou complexes et les enregistrer dans des profils (s'ils le souhaitent), comme expliqué dans la section b.

G. ASSOCIATION DE TOUCHES

Grâce à CAM/Mouse/Key Remapping, les utilisateurs peuvent créer des associations de bouton nouvelles et personnalisées et les enregistrer dans des profils (s'ils le souhaitent), comme expliqué dans la section b.

A. CONTRÔLE DE L'ÉCLAIRAGE RVB

1. Quatre modes d'éclairage par défaut sont enregistrés sur les profils 1 à 4 et vous pouvez les faire défiler en appuyant longuement sur le bouton DPI. Si un éclairage RVB a été configuré et associé à l'un des profils du clavier, il s'activera lors du basculement sur un profil personnalisé.

B. BASCULEMENT SUR LES PROFILS ENREGISTRÉS (1 À 4)

2. Un appui sur le bouton DPI (appui long) permet de faire défiler tous les profils actifs.

8.1 SUPPORT

If you have an issue and you need further help to resolve, please contact us via email at: support@nzxt.com

8.2 NZXT GLOBAL WARRANTY POLICY

This NZXT Global Warranty Policy governs the sale of products by NZXT to you.

I. WARRANTY LENGTH

Any replacement product will be covered under warranty for the remainder of the warranty period or thirty days, whichever is longer. Proof of purchase is required for warranty service.

II. WHO IS PROTECTED

The Warranty covers only NZXT products purchased by the original consumer.

NEW NZXT PRODUCT	WARRANTY LENGTH FOR PARTS
Computer Cases	2 Years
Temperature Meters	2 Years
Fans	2 Years
Lighting	2 Years
Accessories	2 Years
Kraken M Coolers	3 Years
NZXT Keyboard/Mouse	2 Years
Headset/Headphone Storage	2 Years
USB Microphone	2 Years
Motherboards	3 Years
Gold Power Supply	10 Years
Kraken X/X RGB/Z Coolers	6 Years
Mini ITX Case with PSU, AIO, and Riser Card	3-year warranty on case, riser card, and AIO. 10-year warranty on PSU.
REFURBISHED NZXT PRODUCT	WARRANTY LENGTH FOR PARTS
All NZXT Certified Refurbished Products	1 Years

III. WHAT IS AND IS NOT COVERED

Please note that our warranty is not an unconditional guarantee. If the product, in NZXT's reasonable opinion, malfunctions within the warranty period, NZXT will provide you at its sole discretion with a repaired or replacement product, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

Our warranty does not cover the following:

- any product or serial number/warranty sticker modification applied without permission from NZXT;
- any damage that is not a manufacturing defect;
- damage, deterioration or malfunction resulting from: accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification or failure to follow instructions included with the product;
- improper installation, unauthorized alterations or modifications, or repair or attempted repair by anyone not authorized by NZXT;
- shipping or transport damage (claims must be made with the carrier);
- normal wear and tear.

NZXT does not warrant that this product will meet your requirements. It is your responsibility to determine the suitability of this product for your purpose. For NZXT Store orders, we cover two way return shipping for all exchanges and returns. For all other authorized dealers, NZXT Support does not cover return shipping and only covers one way shipping from NZXT back to the end user for exchanges. Two way expedited shipping is provided for all PSUs covered under the Less Than Three program, indiscriminate of purchase location, provided the location is an approved NZXT reseller.

IV. EXCLUSION OF DAMAGES (DISCLAIMER)

NZXT's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product with either a new or refurbished product with a similar function that is equal or greater in value at our option. NZXT shall not, in any event, be liable for any incidental or consequential damage, including but not limited to damages resulting from interruption of service and loss of data, business, or for liability in tort relating to this product or resulting from its use or possession.

V. LIMITATIONS OF IMPLIED WARRANTIES

Here are no other warranties, expressed or implied, including but not limited to those of merchantability or fitness for a particular purpose. The duration of implied warranties is limited to the warranty length specified in Paragraph I.

VI. TO OBTAIN TECHNICAL SUPPORT

If you have already referenced your product owner's manual and still need help, you may contact us by phone at +1 (800) 228-9395, by email at service@nzxt.com, or visit the NZXT Support site at nzxt.com/customer-support.

VII. HOW TO OBTAIN A WARRANTY SERVICE FROM NZXT

To receive a warranty service for your product when purchased

directly from NZXT, you must submit a request via the NZXT Support site outlining the problem. If a technician deems the product defective or requiring testing, you will be required to provide a copy of your proof of purchase, which will enable you to submit a Return Merchandise Authorization "RMA" request.

Once approved, you`ll receive an RMA number, upon which you will be asked to ship the defective item back to NZXT with the RMA number clearly marked or labelled on the package. NZXT recommends that appropriate measures are taken to safeguard the product from damage during shipping.

VIII. APPLICABLE LAW AND ADDITIONAL LEGAL RIGHTS FOR CONSUMERS

This warranty gives you specific legal rights. These conditions are governed and construed in accordance with the laws of California (with exception of its conflict of law provisions), and the application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded. The non-exclusive jurisdiction of the courts of California is agreed, which means that you may bring a claim to enforce your consumer protection rights in connection with this Global Warranty in the country which you have your habitual residence where you may have additional rights. These rights may vary.

For original consumers who are covered by consumer protection laws or regulations in their country, state, or province of purchase or, if different, their country, state, or province of residence, the benefits conferred by this warranty are in addition to all rights and remedies conveyed by such consumer protection laws and regulations. To the extent that liability under such consumer laws can be limited, NZXT's liability is limited, and its sole option, to repair or replacement, either new or refurbished, with a similar function that is equal or greater in value depending on supply.

In the United Kingdom:

- For NZXT products sold to customers in the UK, during the expected lifespan of your product your legal rights entitle you to the following:
 - > Up to 30 days: if your goods are faulty, then you can get an immediate refund.
 - > Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - > Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.
- If the person seeking to rely on the guarantee is not the original consumer, the NZXT Warranty will cover the product in relation to that person provided that they are able to provide proof of the transfer of the benefit of the guarantee from the original consumer.
- The implied warranties under the Consumer Rights Act 2015 says that your goods must be as described, fit for all purposes for which such goods are usually supplied, and of satisfactory quality.

In the EU:

- If you are a consumer and have your habitual residence in the EU, you additionally enjoy the protection afforded to you by provisions that cannot be derogated from by agreement by virtue of the law where you have your habitual residence.

IX. WARRANTY SERVICE FROM RESELLERS

In the event that a warranty service is sought, you must provide proof of purchase (store receipt or invoice) in order to receive the service and if deemed necessary, repair or replacement product.

In North America:

Within the first 60 days after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval and an RMA number.

In Europe:

Within the first year after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

In Australasia:

Within the first two years after purchase, please return your product (or for power supplies installed within our enclosures, just the failed power supply) to your dealer or reseller for a replacement. If the product is still within warranty and you can no longer return it to your dealer, please contact NZXT Customer Support (see above) for assistance and instructions. NZXT will not accept returns without prior approval.

The cost of shipping will be borne at the first instance by you; however, if the purchased item is defective, NZXT will reimburse reasonable postage or transportation of costs.

Outside North America, Europe, and Australasia:

If your product needs to be returned within the warranty period, please contact the retailer or distributor from whom you purchased the product.

X. NZXT.COM STORE RETURNS/EXCHANGE POLICY

Eligible products under this NZXT Warranty qualify for a full refund or exchange only with an authorized RMA number and if the item is returned to the NZXT.com store inventory within 30 days of purchase. Returns are not allowed beyond 30 days of the purchase date. The NZXT.com Store reserves the right to deny any return or exchange. Refunds will be credited to the original method of payment. To initiate a return, simply submit a request via NZXT support site.
