Della Leaders Club (DLC), a business platform for global entrepreneurs, professionals and young leaders, will raise \$7 million (about ₹50 crore) to meet its expansion plans, said its founder and chairman Jimmy Mistry.

"We have already invested ₹15 crore for setting up Della Leaders Club. We are in talks with 4 investors to raise \$7 million in first round of funding in three months. We have lots of investors interested to invest in this project," Mr. Mistry, a first-generation serial entrepreneur, said.

DLC was inaugurated last week and over 2000 Global Honorary Committee members have already come on board the platform which will have physical presence in 15 cities across the world in Phase 1, Mr. Mistry said.

"After designing for some of the world's most successful entrepreneurs, corporate professionals, celebrities and socialites over the last 25 years, I realised that leaders, across industries, need a support system that will empower them. This platform goes beyond just networking and focuses on knowledge development along with community outreach" he said.
