- Trivia**
1. Della Leaders club is the world's first business platform as announced by Forbes New York.
 2. Membership is by invitation only.
 3. DLC is the fastest growing unicorn in India.
 4. There isn't a single business platform across domains that offers support system to entrepreneurs, professionals and young leaders for their day-to-day business and lifestyle decisions.

DLC's goals for now and the future

DLC is a social enterprise that uses cutting-edge technology and content to work towards building a world that is better, stronger and kinder. They help in creating future-fit organizations by positively impacting the lives of entrepreneurs, professionals and young leaders.

You can read more about them on www.dellaleaders.com or get in touch with Team DLC over a Zoom call to understand how a DLC membership can benefit you and your organisation to stay ahead of the curve.

Della Leaders Club (DLC), World's 1st Business Platform, marked its presence in the 'Silicon Valley of India' on 8 April by launching the Bengaluru Chapter.

DLC is the brainchild of Founder Jimmy Mistry, a first-generation Serial Entrepreneur who has envisioned and created "The World's 1st Business Platform" to offer a 360° support system for transformative leaders.

However, the only way to be part of the world's most influential community is exclusively via invitation only.

DLC is a global community of entrepreneurs, professionals and young leaders across 7 countries and 15 chapter cities. Within a short span of 18 months, DLC has managed to gather and sign up some of the most eminent people across the world.

Today, they boast of a portfolio of over 2,300 members from across 56 countries.

DLC's VISION is to act as a catalyst to transform people from "A Life of Success to a Life of Significance".

DLC is headquartered in New York and was launched on 12 June, 2021, by Hon. Minister Nitin Gadkari and Aditya Thackeray. Since its launch, DLC, a technology-enabled business and lifestyle content platform has been covered by global media houses in more than 300 articles.

Forbes New York, Bloomberg, Medium, Thrive Global, The Economic Times, Yahoo Finance USA, Times of India, Indiaunicorn (announced DLC as India's upcoming Unicorn), Business World, News Nation USA etc.
