Travel Insurance Coverage

All students are required to have adequate travel Insurance coverage from the time of departure until the return to their home country. The Insurance has to cover medical expenses in case of Illness and Accident. Third Party Liability coverage is also required for all students. The insurance needs to be valid worldwide and cover the student the entire time, not only while in school. If the student is extending the length of the course the Insurance needs to be extended to cover the extended period. Parents and guardians of students under the age of 18 (19 for students traveling to Vancouver/Victoria, Canada) are required to sign a Medical Release Waiver.

Your Signature

I authorize EF to take appropriate action in the event of a medical emergency. I have read and agree to the conditions outlined in this brochure, and I consent to EF's processing of my personal data. The signature of a parent/guardian will also constitute their consent required for the student to participate in all EF programs, including activities, offered at the schools.
