1. For the building identified on the label, please report in the box below all steam, hot water, and chilled water delivered from December 1, 1991 through January 31, 1993. If consumption is metered both at the central plant and at the building, report the amounts metered at the building. If you are unable to separate the delivered amounts for this building, report for the entire system. Refer to Item 3 for making estimates for the building identified on the label.

Checked boxes indicate the sources reported during an interview with a building representative. Please correct as necessary.
