1999 Commercial Buildings Energy Consumption Survey (CBECS)

1. Timely submission of this report is mandatory under Public Law 93-275, as amended.

2. This completed questionnaire is due by

3. Data reported on this questionnaire are for the *entire building* identified in the label to the right.

4. Data may be submitted directly on this questionnaire or in any other format, such as a computer-generated listing, which provides the same information and is convenient for your company.

a. You may submit a single report for the entire building, or if it is easier, a separate report for each of several accounts in the building. These will then be aggregated by the survey contractor.

b. If you are concerned about your individual account information, you may choose to mark out account numbers on any computer-generated listing that you send us; however, write the CBECS building identification number (indicated in the label above) on your listing.

c. Whatever format you use to submit data, ensure that all questions are answered.

5. If you have specific questions concerning the questionnaire, please contact the CBECS Supplier Survey Specialist (toll free) at 1-888-861-0464.

For general information about the survey, visit our Web site at <http://www.eia.doe.gov/emeu/cbecs>.

This report is mandatory under Public Law 93-275, as amended. The timely submission of Form EIA-871D by those required to report is mandatory under Section 13 (b) of the Federal Energy Administration Act of 1974 (Public Law 93-275), as amended. Failure to respond may result in criminal fines, civil penalties, and other sanctions as provided by law. Per the Paperwork Reduction Act of 1995, you are not required to respond to any Federally-sponsored collection of information unless it displays a valid OMB Approval Number. The valid OMB Approval Number for this information collection (1905-0145) is displayed at the lower left hand corner of this page.

Confidentiality: Any information collected that will permit identification of respondents or their buildings will be confidential and used only for statistical purposes. Data that can be identified with individual respondents will not be disclosed or released by the survey contractor to anyone (including the Department of Energy) for any other purpose, except as required by law.

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time of reviewing instructions, searching existing data records, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Energy Information Administration, Statistics and Methods Group, EI-70, Washington, DC 20585-0670, and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

Worksheet (Optional)

Note: Use this worksheet only if you have *not* provided annual amounts in Questions 2 through 5.

In the table below, please report all district steam delivered to the building identified in the label on the front page of this questionnaire during the period from December 1, 1998 through January 31, 2000.

If consumption is metered both at the central plant and at the building, report the amounts metered at the building.

If you are unable to separate the delivered amounts for this building, report for the entire system, and answer questions 9 or 10 to help us make estimates for the building identified in the label.
