PROCESSING MAILED PAPER

e-Manifest

- **Paper manifests have not yet been processed**

- EPA is in the processing of working with the paper processing center to catalog and batch manifests for upload and data entry

- We are contacting sites that have submitted paper manifests but do not have a registered site manager

- Initial processing will begin soon

DEMO OF NEW PUBLIC REPORTING FUNCTIONALITY *e-Manifest*

- Demonstration of public data in RCRAInfo Web.

IMPLEMENTATION
e-*Manifest*

- We are working to compile a list of wastes required to be manifested by states. Hoping to have this available online by the end of the year 2018.

- Will be publishing a new Fact Sheet for Emergency Response and Cleanup.

- Fourth round of FAQs coming soon.

IMPLEMENTATION — e-*Manifest*

- On October 17, we published a Federal Register notice requesting nominations for members to the e-Manifest Advisory Board, including for state representative, industry user, and IT expert.

- Nominations can be sent to Fred Jenkins, Designated Federal Officer (jenkins.fred@epa.gov).
