
GfK Asia Edition 2023/2024

Updated digital maps
for all Asian countries

Digital maps Asia 2023

New additions per country

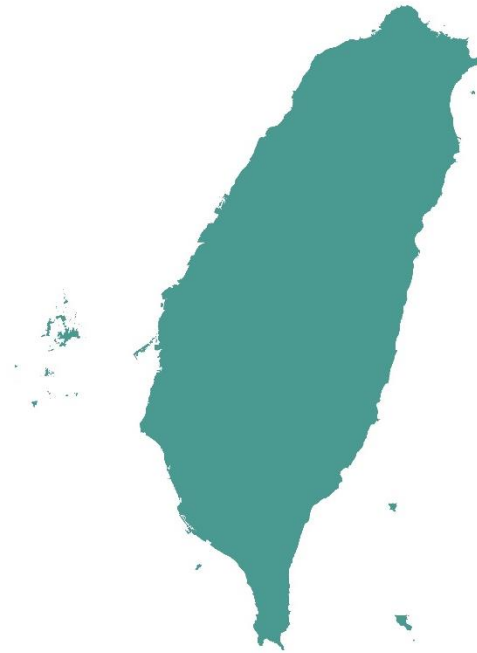

China

Hong-Kong and **Macao** now separated from China due to incompatible (admin) structures.

Still part of the China map set, but as separate layers in sub-folders.

The boundaries remain seamless!

Taiwan

One new postcode layer available:

- **6-digit postcode areas** (6.125 features)

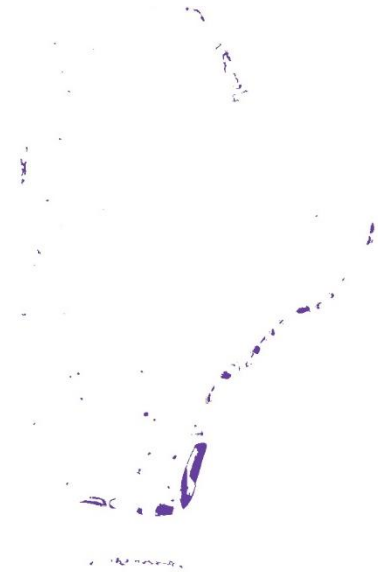

Thailand

One new administrative layer available:

- **subdistricts** (7.436 features)

Digital maps Asia 2023
