LETTER FROM THE CHAIR

Hi Kumo Fam!

What a year it has been. When I first started watching anime in the mid-90s, never did I think that 20 years later I'd be the Chair for my favorite anime convention. I started working at anime conventions in 2004, and started working at Kumoricon in 2016. I have learned so much in this year as Chair, and it has been incredibly rewarding to see it all finally come to fruition.

This year I was also reminded how strong our community is, how much we care about each other and everything we bring to the table, and how all of that passion drives everyone to do their very best for Kumo. We have been doing a lot of internal development, and one thing always rang true... we always want to be a convention that is run for fans, by fans. I hope that sentiment continues to thrive at Kumoricon for many years to come.

We are all brought together by a shared passion for anime, manga, Japanese culture, video games, cosplay, and more. Whether you are staff, a volunteer, or an attendee, we continually strive to provide an inclusive community event where you can make friends, reconnect with others, and share your passions with each other in a space where you all feel like you belong.

We've grown so much that it's impossible to name every event and guest here in this letter, so I want to try and offer some highlights. We have music guests such as Lollia and Or3o who I've personally had the pleasure of meeting, who have attended Kumo as attendees for years and now are coming back to the main stage to share their music once again. There's NANO who is coming to us from Japan with her amazing vocals and powerhouse performances. We have many voice actor guests, including amazing names such as Johnny Yong Bosch, Stephanie Sheh, and Michelle Ruff, who all voice leads in redubs for the one anime that helped shape my love of anime in the mid-90s, Sailor Moon—as well as so many other titles under their belts. We even have Yukio Onishi attending, an illustrator, layout designer, and art editor who wrote and illustrated some of the How to Draw Manga books, which I myself have been collecting and learning from since the early 2000s.

As for content, we're bringing back well-loved fan favorites such as the AMV Contest, Cosplay Lip Sync Showdown, Ghost Neko's Purranormal Maid Café, the Idol Festival, and more. We've even got the new Cosplay Cabaret, which is a rebrand on a beloved event which is sure to be an incredible time.

I know I listed so many highlights, but also I'm just incredibly excited for this year and to see everyone. I hope that every single one of you has the best time at Kumoricon 2024, and that you take away incredible memories that will last a lifetime. Thank you all for attending our fun-filled convention and sharing your time with us. It's because of all of you that we all come back every year to put in the work to plan Kumo, and seeing your excited faces and the stories and pictures afterward is one of the most rewarding things. Keep sharing your passions boldly, and check out the rest of this guide to see all the outstanding and creative content we've got in store for you. Enjoy!

Kumoricon Convention Code of Conduct

Last updated November 1, 2023

I. Entry requirements

- Everyone must present **valid, government-issued photo ID** to buy a membership or to check in.
- Your badge is your proof of membership. You must wear it at all times in convention space.

II. Age restrictions

- Attendees under age 18 must present a signed **parent permission and liability release** form at time of entry.
- Attendees under age 18 must leave convention space between the **curfew** hours of 12:00 midnight and 6:00 am. (There is no exception for parent accompaniment.)
- Attendees under age 13 must be **accompanied by a parent or legal guardian** at all times.
- To attend an event marked age 18+, you must have a **hand stamp**. ID will not be accepted at the door of the event. To get a hand stamp, please present both your badge and valid government-issued photo ID to the Programming Office. (There is no exception to the hand stamp requirement for parent accompaniment.)

III. Event restrictions

- Please do not line up more than 30 minutes ahead of any event.
- Entry to some convention events and autograph sessions may require either advance sign-up, or a paid ticket. Please see individual event details for full information.
- The Oregon Convention Center prohibits all animals on its campus. This includes therapy or anxiety pets. Only animals trained to provide assistance to an individual with a disability, through a specific action, are allowed. For any official Kumoricon programming held outside the Oregon Convention Center, the policies for the venue where that programming is held apply.

IV. Cosplay, clothing, and coverage

- Our coverage policy is gender-neutral. Costumes or clothing must cover the following: complete groin and buttocks, and approximately 60% of the breast area, including 100% nipple coverage. Coverage may not be sheer or transparent, painted on, or overly form-fitting to the point

where it reveals the details of genitalia.

- Footwear must be worn which includes a sole covering the bottom of the feet.

- Costume props that may be potentially dangerous, or may appear to be potentially dangerous (even if they aren't), must be **peace-bonded** upon entry to the convention, or upon purchase of the item in KumorMarket.

Peace-bonding is an agreement to carry your prop safely, and requires signing an acknowledgment of the requirements of safe carry. A staff member will attach a peace-tie to your item which signals to all staff that your item has been reviewed.

Peace-bonding is conducted in Holladay Lobby and inside KumorMarket. After KumorMarket hours, peace-bonding will be available in the Operations Office.

V. Harassment and other prohibited behavior

- Harassment, and any behavior that disrupts another person's experience, are prohibited. Disallowed behavior includes unwanted physical contact, threats, heckling or jeering, or any other form of rude, offensive, or disruptive behavior. This policy applies regardless of whether the behavior is aimed at a specific person.
- If another person no longer wishes to speak to or interact with you, you must immediately cease your conversation and interaction with them, and you may not follow them to another area.

If you experience harassment or other unwanted behavior, please visit the Operations Office to discuss or report an incident or concern. We strongly

encourage attendees to report an incident as soon as possible after it occurs.

Other prohibited behavior:

- Consumption of alcohol (unless presented as part of an official convention event), consumption of illegal drugs (including marijuana), smoking or use of e-cigarettes, or intoxication
- Lewd conduct
- Unsafe behavior, including real or play fighting
- Selling or soliciting items or services
- Distribution of flyer's or literature
- Brandishing, waving around, or pointing prop weapons
Prop firearms and blades must always stay holstered, slung, or sheathed, except while posing for photos.

The following items are prohibited:

- Functional firearms or ammunition (no exception for concealed carry)
 - Functioning projectile weapons, devices, toys, including items meant to be thrown; or paddles
 - Swords and props which contain live steel (sharp enough to cut)
 - Any prop firearm that does not have a highly visible orange tip, or that for any other reason looks like it could be functional from 10 feet away, even if they are non functioning
 - Devices intended to produce vapor or smoke, including but not limited to vape pens, smoke bombs, and fog machines, unless approved as part of an official convention event (prohibition also applies within 25 feet of any building entrance)
 - Potentially dangerous props which are not part of a bona fide costume
 - Any props or items that inhibit traffic due to their size
 - Any signage or clothing containing profanity, explicit or graphic language or imagery, slurs, insults, threats, solicitations, or room party advertisements
 - Costumes, props, or items of clothing which are vulgar, obscene, graphic, or sexually themed
- Projectile items or replica firearms are allowed only if they are, or have been made, permanently non-functional. "Permanently" means it is not possible to repair or restore the item to functionality. In most cases this means the item must be filled with glue and all moving parts rendered immobile.

We may limit any other offensive, disruptive, or unsafe costumes, props, signs, or clothing in our sole discretion.

VI. Photography restrictions

Be polite with your camera and how you conduct your photography or video recording. Photography and video recording are generally permitted. However:

- It is strictly prohibited to take a photo of any person who asks you not to, or shows by their body language that they do not wish to be photographed.
- It is also prohibited to take a photo if a reasonable person would know the subject(s) would probably not want to be photographed under the circumstances.
- Photography is not allowed in any event where the event host asks you not to, there is a sign prohibiting it, or in viewing rooms, Artist Alley, Small Press, or the Art Show; except with on-the-spot artist permission.

VII. Violations

- Any violation of this code of conduct or illegal action may be handled by a warning, temporary convention suspension, permanent membership revocation, or longer ban, in our sole discretion.
- Allowable activity at the convention is at our sole discretion. If an authorized staff member asks you to stop doing something, remove an item, or leave an area, then it has the weight of this code of conduct, even if it's not printed in this code of conduct.

VIII. Changes

This code of conduct may be changed without notice. <https://www.kumoricon.org/code-of-conduct> will always contain the latest version, and printed copies are available at the convention.

COLLABORATIVE SPECIAL EDITION

AUTOGRAPH INFORMATION

1. All autographs are at the guest's discretion. Guests have the right to refuse to autograph anything or for anyone at their sole discretion. Some guests may have special requests, such as: no photos, requiring masks, only allowing one item to be signed, etc. All limitation requests from the Guest and Autograph Staff must be followed.

2. Guests will have merchandise and prints for sale at their discretion. Please have items ready for signing, or payment ready for making a purchase when you are near the front of the guest's line. Check with the Autograph Manager or the guest's liaison to find out if the guest accepts cash, card, Google/Apple Pay, or some combination thereof. Personal items, unless otherwise specified by a guest, must be official, licensed products (no bootlegs). Fan art may be refused on a case-by-case basis; please confirm with Autograph Staff or the guest's liaison.

3. Guests may refuse gifts, photos, or recordings individually or entirely at their discretion. Always ask a guest's liaison prior to offering a gift to a guest.

4. To provide a fair signing opportunity to all attendees, please limit your time with a guest. If a guest does not have a line, you may converse with the guest but please be mindful of other attendees approaching

and other cues the guest may give to indicate to wrap up the conversation.

5. No touching guests without permission. Ask first for hugs, handshakes, etc. and respect that a guest may be sick, tired, or have some other reason for not wanting to give hugs. "No" is a complete sentence, and do not ask the guest to explain why they do not consent to physical touch. Please be aware that some guests may require masks at their signings. Signage will be posted at the beginning of the guest line indicating this if this is the case. Please make sure to have a mask on you, just in case.

6. The following gifts are prohibited: gifts of homemade food, gifts of pre-packaged consumables that have been opened, or gifts of pre-packaged consumables with tampered packaging. All consumable gifts must be pre-packaged with visible seals intact, no exceptions. If you have a consumable gift, you must present your gift to the guest's liaison for approval prior to presenting the gift to a guest. Guests have the right to refuse any and all consumable gifts.

7. Please remember that items to be signed or gifts must follow Kumoricon policies, such as props and weapons. Please review our Code of Conduct if you have questions about if your item would be allowed.

Paid autographs

All Voice Actor Guests of Honor will only offer paid autographs. Guests will be signing at their tables throughout the day (when not attending panels, breaks, or otherwise specified). We will not be pre-selling them on our website this year. They will only be available for purchase at the convention.

Attending a paid guest autograph session

- Only **one (1)** other individual may accompany you in line, except for parents/guardians accompanying minors, or persons providing accessibility assistance.
- Please purchase your autograph through the guest's liaison prior to meeting the guest.

Free autographs

All participating guests will be signing at their designated table at their assigned times, unless an otherwise specified location is notated. Each attendee is limited to one free autograph per guest who offers free autographs. Please note that only personal items

brought by an attendee will be free. While guests may have prints, shikishi, or other merchandise at their booth, those will have a cost associated with them which will be communicated at the guest's table or booth (and may be communicated online if timing allows). Any additional autographs after the first one must be purchased using the prices listed at each guest's table or booth, unless otherwise specified by the guest. See the General Q&A for more information.

Premium autograph benefits will be offered to **VIP Premium Memberships**:

- "Jump the line" passes to free guest autograph signings (one per guest, subject to availability).
