ZONE WIRED EARBUDS

Look and sound your best on video calls with Logitech® Zone Wired Earbuds. Certified advanced noise-canceling mic technology clearly captures your voice to make meetings better while high-quality sound helps you stay in the zone wherever you work.

Zone Wired Earbuds works with common calling applications across almost all platforms and operating systems. Boomless and beautifully designed, two beamforming mics positioned on the left earbud exclusively focus on your voice and suppress unwanted sounds.

Connect Zone Wired Earbuds to your smartphone¹, tablet¹ or computer¹ with plug-and-play simplicity and reliability. A sleek and simple in-line controller provides fingertip control on call and music plus LED indicators for at-a-glance confirmation of key functions.

KEY FEATURES AND PRODUCT SPECIFICATIONS

- 1 Boomless noise-canceling mic:** Two beamforming mics on the left earbud suppress unwanted sounds from open workplaces to focus on your voice.
- 2 Studio-quality audio:** Professional audio is enhanced by premium material for clear sound with less distortion while neodymium magnets increase loudness.
- 3 Plug-and-play simplicity:** In-line controls keep call and music functions handy while 3.5mm audio jack², USB-C and USB-A adapter (included)³ ensure plug-and-play compatibility.

Connectivity	Multiple connection types	Wired 3.5 mm audio jack, USB-C connection, and USB-A adapter (included) for simple plug and play reliability
