

PRIVACY POLICY AGREEMENT

This Privacy Policy agreement (this "*Privacy Policy*") constitutes an agreement between you ("*You*") and the developers of this app, ("*We*" or "*Us*") and governs your use of the Sharp Application, as defined below. The Sharp Application is referred to in this Privacy Policy and other agreements as "*Sharp App*" or "*Licensed App*" and all services and provided features as "*Services*".

By downloading, installing, and using Sharp App, you acknowledge that you have read, understood, and agree to be bound by and comply with this Privacy Policy. If you do not agree to the terms and conditions of this Privacy Policy, you are not entitled to use Sharp App.

These privacy policies (the "Privacy Policy") are intended to describe for you, as an individual who is a user of Sharp App or any other online services, the information we collect, how that information may be used, with whom it may be shared, and your choices about such uses and disclosures. By using Sharp App and its Services, you are accepting the practices described in this Privacy Policy.

1. HOW WE COLLECT AND USE INFORMATION

We retain session data locally on your device. We use this information to operate, maintain, and provide to you the basic features and functionality of the Services. It is not transmitted outside of the app and we do not send any data to a server. Audio recordings used for measuring ambient noise levels are deleted after processing a session.

2. SHARING OF YOUR INFORMATION

We never share your data with third parties.

3. HOW WE STORE AND PROTECT YOUR INFORMATION

Your information collected through the Services is stored on the device and is never sent to a server.

4. CHANGES TO OUR PRIVACY POLICY

We may modify or update this Privacy Policy from time to time to reflect the changes in our business and practices, and so you should review this page periodically. When we change the policy in a material manner we will let you know and update the last modified date at the bottom of the file.
