Subject: National Tsunami Warning Center Routine Communications Tests for
the West Coast and Alaska Coast to Take Place on January 19, 2023

The NWS National Tsunami Warning Center (NTWC) and coastal NWS Weather
Forecast Offices (WFOs) will perform a routine monthly tsunami
communication test on Thursday, January 19, 2023.

The intended recipients of these communication tests include: designated
national focal points, state/territorial warning points, coastal WFOs,
U.S. Coast Guard and critical military dissemination points.

Each test message will be clearly identified as such, and will be
consistent with the product changes implemented by Service Change Notice
(SCN) 18-94: Changes to Valid Time Event Codes (VTEC) and Event Tracking
Numbers (ETNs) for Domestic Tsunami Test Products: Effective April 1,
2019:

https://www.weather.gov/media/notification/pdfs/scn18-94vtec_tsunami.pdf

VTEC codes for the test messages will start with the /T fixed identifier
(versus /O for operational messages). To provide additional assurance
that a test message is not inadvertently distributed as an actual
Warning/Advisory/Watch product, ETNs for the test messages will begin with
9 as the leading digit of the four character code.

The text products affected by routine monthly tsunami communication
testing are the national tsunami products issued under the following
Advanced Weather Interactive Processing System (AWIPS) Product Identifiers
(PILs) and World Meteorological Organization (WMO) Identifiers (IDs):

NTWC Product	AWIPS PIL	WMO ID
-----	-----	-----
Segmented Tsunami W/W/A for West Coast/BC/Alaska	TSUWCA	WEPA41
Public Tsunami W/W/A for West Coast/BC/Alaska	TSUAK1	WEAK51

Routine tsunami communications testing will continue monthly. WFOs participating in the national monthly tsunami communications test are listed below by NWS Region:

NWS Alaska Region:
Anchorage, AK (AFC)
Juneau, AK (AJK)

NWS Western Region:
Seattle/Tacoma, WA (SEW)
Portland, OR (PQR)
Medford, OR (MFR)
Eureka, CA (EKA)
San Francisco Bay Area/Monterey, CA (MTR)
Los Angeles/Oxnard, CA (LOX)
San Diego, CA (SGX)
